

Kia ora e te whānau,

It has been a week since we communicated to everybody about the need to roster a year level home each day because of the impact Omicron and self-isolation has had on our staffing.

Because of the ongoing impact, we will continue to be rostering a year level home each day for next week. Below is the schedule for Week 7 (Monday 14th - Friday 18th March), including the information for tomorrow Friday 11th March.

When a year level is rostered home, the expectation is that students are completing work set on their Google Classrooms. For more detailed information please see our school website:

- <https://sites.google.com/greenbayhigh.school.nz/hybrid-learning>

The roster is as follows:

11th March	WEEK 7 - 14th - 18th March				
FRIDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Y9	Y11	Y10	Y13	Y9	Y12

Sports, training and after school activities can continue and students are welcome to come in for these.

If necessary, as in 2021, Year 9 or Year 10 students unable to be supervised at home can be supervised at school on their designated Year Level at home day.
