Work-Based Learning Updates

- National Apprenticeship Week Archives (Nov, 2020)- [Virtual WBL Site Tours](#)
 - IBEW, Southwest Carpenters, AGC, Sheet Metal Workers
 - Other speaker presentations
- SD Regional EDC, [Manufacturing Talent Need & Preferred Provider Overview](#)
- [Other WBL Events & Activities:](#)
- **[5th Annual Careers in Public Service – March 8-12](#)**

This week-long cross-sector student conference will highlight various in-demand careers in Public Service, but is open to *ALL pathways*. Over the 5 days of presentations and breakout sessions, the agenda will feature: dynamic speakers in forensics, policy making, drug enforcement and MORE; military panel; K-9 demonstration; and a San Diego Fire-Rescue Department virtual station tour.

- **Resilient Careers: Explore Your Future in Health and Biotech – April 19-23**
- **CreaTech 2021 - Week of April 26th**

The College and Career Readiness team is hosting our annual CreaTech student career exploration event during the week of April 26th to promote careers and skill development in the technology and engineering fields. This year, the event will be virtual and we will feature engaging speakers and activities that students can engage in via Zoom, ranging from virtual site tours and business panels to leading a mini-project or solving a problem related to the industry.

- **Careers in Community Service - Week of March 15th**

The College and Career Readiness team is also hosting a new student career exploration event, Careers in Community Service 2021, focused on jobs and roles within the nonprofit sector that serve the San Diego community. The event is taking place the week of March 15th and will feature some of the region's top difference-makers, including the Bilateral Safety Corridor Coalition (BSCC), the San Diego Workforce Partnership, and Access, Inc., making this is an excellent opportunity for students to explore the career pathways that serve the community.

- **College and Career Readiness Department can be found at <http://cte.innovatesd.org>**

Breakout rooms*

Once the rooms go live, if your [zoom is up to date](#) you'll be able to select your breakout room yourself!

If you can't self select, simply rename yourself in zoom so your name starts with the room number you desire.

There are no designated facilitators - jump in, get to know one another, pick someone to record and feel free to take the lead if you're up for it!

Room #	Sector	Link
1	Building and Construction Trades	Room 1 Collaborative Doc
2	Energy, environment and utilities	Room 2 Collaborative Doc
3	Manufacturing and Product Development	Room 3 Collaborative Doc
4	Transportation/Automotive	Room 4 Collaborative Doc
5		Room 5 Collaborative Doc
6		Room 6 Collaborative Doc
7		Room 7 Collaborative Doc
8		Room 8 Collaborative Doc
9		Room 9 Collaborative Doc

*Rooms can be revised/reorganized or added to by the group as needed!
