1 1 2 Topic Guided Research Notes Worksheet

This worksheet gives you six possible innovations to record. You only need to research three. After you have researched your innovations, answer the following question.

Explain how an effect of a computing innovation can be both beneficial and harmful. Use one of the innovations below as an example.

Topic #1:	
Related Industry:	
Computing Innovation #1:	
Intended Purpose	
Explain how the innovation might have an impact beyond its purpose	
Beneficial Effect	
Harmful Effect	
Possible Solution
