"I understand that Peach Blossom School is not accredited by WASC or any other agency. Should my child choose to enroll in another high school after the beginning of 9th grade, I understand that the school may not give academic credit for courses completed while the student was enrolled in Peach Blossom School. Students graduating from Peach Blossom School are encouraged to take the GED, HiSET, or CPP in order to earn a diploma equivalent."

Parent/Guardian Signature Required

Peach Blossom School is a private K-12 school in San Jose California, established and maintained in accordance with California Education Code. Peach Blossom School maintains on file all of the documents required by California Education Code pertaining to private schools: attendance records, courses of study offered, faculty qualifications, immunization records, current Private School Affidavit. Director Stephanie Hood is a California credentialed teacher.
