

Les devoirs

le lundi, 14 avril - jour 6

- **Cahier de chansons:** have your child sing a song- up to page 62.
- **Les mots usuels:** continue practicing the sight word rings. Almost everyone has finished with the color-themed cards. Please focus on the animal-themed cards for the rest of this year. Both sets of cards cover all of the required Grade One sight words. Congratulations to the students who have already completed both sets! Great job.
- **Math:** I don't usually give math to work on at home, but please review the doubles facts listed on the back of this page. They are important benchmarks for the mental math work we are practicing in class.
- **Lecture:** review the book that your child has worked on in class

Ø **Literacy tip:** We are working on fluency. Read as you would speak. A part of fluency is phrasing – grouping words together so that the text makes sense. Watching, pausing or stopping for punctuation. Rereading books several times helps to develop fluency.

Please note:

Easter break: A reminder that there are no classes on Friday, April 18 and Monday, April 21. Happy Easter!

Reminders: Please ensure that your child has a water bottle as well as extra clothing packed in their school bag. It's often needed in case of spills, washroom accidents or falls in the mud. There is plenty of mud around the new building!

Les doubles:

$$1+1=2$$

$$2+2=4$$

$$3+3=6$$

$$4+4=8$$

$$5+5=10$$

$$6+6=12$$

$$7+7=14$$

$$8+8=16$$

$$9+9=18$$

$$10+10=20$$

Knowledge of these facts will help your child with the mental math strategies that we are practicing in class.
