Committee Purpose

The purpose of the System Impact Committee is to monitor progress against the community's [strategic plan \(Home Together\)](#), including regular review of system-level and provider performance to support more rapid identification of emerging trends and needed changes to policy and programming. The committee will also be responsible for monitoring actual system performance against assumptions used in the Home Together system modeling to support updates to the plan as needed.

You can learn more about the Committee's Purpose [here](#).

Meeting Purpose / Overview

- The purpose of this meeting is to support the System Impact Committee's role in monitoring system performance and advancing Home Together goals by: hearing the preliminary PIT results, report out on the Home Together Plan refresh, discussing the provider scorecard and vote on metrics, and reviewing SIC's work plan.

Agenda

1. Welcome and Introductions - Please come off mute and/or put in the chat your: Name, pronouns, affiliation (organization, etc.). - Ground Rules	2:00 – 2:05
2. Approval of minutes Ahead of today's meeting, Homebase distributed the meeting minutes (meeting minutes are the written record of our monthly meetings) from the June 3 rd System Impact Committee meeting for committee members to review. - The draft minutes have also been posted in the System Impact Committee's google drive folder. - This time is held for committee members to let us know if they believe the minutes do not accurately capture the discussion items from the September meeting and need to be amended. - You may also email Homebase at mayareddy@homebaseccc.org and matthieu@homebaseccc.org copying alameda@homebaseccc.org, if you see anything in the draft minutes that are distributed following today's meeting that should be amended.	2:05 - 2:15

5. Announcements Tell us about your experience at the Spring Community Meeting: Please fill out this short, anonymous survey to share your feedback and ideas for future community meetings! HMIS Survey: EveryOne Home is sharing with you a survey about HMIS (Homeless Management Information System) training and support in Alameda County. This survey will be open until 6/26. Whether you are a daily HMIS user or have limited experience with the system, we'd like to hear your thoughts. The information you provide is anonymous. We encourage all voices to participate - including direct service staff,	2:35 – 2:40

case managers, HMIS liaisons, program managers, and agency leadership at any level of HMIS familiarity. What is HMIS? The Homeless Management Information System (HMIS) is the data system used to record and track services provided to people experiencing homelessness. In Alameda County, HMIS data is used to coordinate services, measure program performance, and inform community-level planning. How will survey feedback be used? This survey is part of the EveryOne Home HMIS Committee's ongoing work on data quality. Feedback will be used to identify training gaps and inform HMIS work planning in partnership with the HMIS liaison. Findings will help shape the training resources and support available to providers across the CoC. If you have any questions, please contact us at alameda@homebaseccc.org • Save the date for these upcoming Learning Community Sessions! ○ Tuesday, June 23 - Fair Chance Housing & Advocacy Workshop ▪ Speakers from Legal Services for Prisoners with Children ○ Tuesday, July 28 - State Advocacy Opportunities ▪ Speakers from Bring California Home Coalition ○ All sessions are 12 PM to 1:30 PM, Zoom information is sent out to the EveryOne Home mailing list.
