

## 2026-27 Course Requests in PowerSchool Portal

Dear Student and Parent / Caregiver,

Before the school year ends, we invite you to please review the courses we will use to build your schedule next year.

In the PowerSchool Portal, click on “Class Registration.”

You will be able to view courses we will use to build your schedule. Although you will not be able to add a new course at this stage, if you notice any errors in your course list or have questions, please reach out to your counselor. We will make every effort to accommodate your course requests. However, please be aware that not all elective courses may fit into your schedule. Actual course schedules will be available on the PowerSchool Portal mid to late August.

As a reminder, we are no longer processing requests to override a course for the upcoming school year.

If you are intending to leave the district next year, please ignore this message.

Sincerely,

The HS Scheduling Team
