Hosanna in the Highest!

Read John 12: 1-16

Jesus enters to Jerusalem honored by all. Everyone knows about Him because those who were healed and touched by their interaction with Him have told their friends...

Holy Spirit, please remind me of the ways Jesus has touched my life.

Have I ever stood up like Lazarus and testified to Jesus’ love? How do You want me to do this more?

The Washing of the Apostles Feet/Institution of the priesthood

Read John 13:1-20

Holy Spirit, what do You want me to hear from You in this passage? How do You want my life to change in light of it? How do You want me to concretely take the role of a servant and lay down my life for others?

Listen to some of Jesus’ last words in the Upper Room at the Last Supper...picture yourself there with Him—because you are. He is speaking to You in His Word (the Scripture) and His True Presence in the Eucharist. Ask the Holy Spirit to speak to you and write down what sticks out to you after each reflection...

John 14: 1-14 About Heaven...

John 15: 1-17 The Vine and the Branches

John 16 & 17
