Report Cards

Report cards are in Infinite Campus. It is much easier to read the report cards on a computer, rather than a cell phone, but grades can be accessed either way. We had an issue with report cards and everyone will see a 5th grade report card option, even if you don't have a kiddo in 5th grade.

- **6th - 8th grade families** - Please select the *Dundee Middle School Custom Report Card* Option.

- **5th grade families** - You'll need to view both the *Dundee Fifth Grade Custom Report Card* AND the *5th Grade Specials* option for a complete look at your child's first marking period grades.

Conferences

Our teachers will be reaching out specifically to their families about what conferences will look like at their grade levels, but we are scheduled to hold our first semester conferences on November 9th and November 16th from 5:00-7:00pm.
