9/9 Monday - No testing

9/11-9/18 Make Up testing- Teams can begin makeups during content time on any day after testing, or email Muller/Douglas to schedule a time for support with testing makeup if needed.

9/20 - NWEA Window Closes - Compile Data for District Office

Notes:

- Be cognizant of testing session times for other teams to help eliminate distractions/disruptions
- Please keep kids in the classroom as much as possible to help ease small group demands
- Plan for alternate activities for early finishers
- Please complete make-up tests as needed within your team. You can begin makeup as soon as the student returns, you do not have to wait until the following week.
- Record student scores on the DRA Spreadsheet as students finish.

If you need additional support/assistance, times have been set aside with Douglas/Muller on 9/11-18 - You must email names/details ahead of time. Due to increased coverage needs, Douglas/Muller may not be available during the possible make-up times listed.
