

# Summer 2024 - Elementary Learning Program

**\*Please note - the i-Ready window closes on 8.7.24**

While summer is a time outside of the classroom, research has proven that our students regress with no learning opportunities. This summer, we ask that during camping trips, outings to the beach, relaxing in the pool, or whatever you like to spend time doing - take some time each week to have your child brush up on their skills. In the fall, you will be surprised by how confident your child feels about returning to school as a learner.

Below is a breakdown of our district expectations:

## How do I track my Summer Learning participation?

- Each student will receive WPS Summer Tracking Sheet (sample)
- This tracker will be turned in to their math teacher in September 2024.
- Each school will determine the incentive!

## Who will be monitoring?

- The Curriculum Office will be monitoring summer learning progress from the end of June - August 7, 2024
- If a child can't access his/her i-Ready My Path (Personalized Learning), please email [marissa.hudson@warwickschools.org](mailto:marissa.hudson@warwickschools.org) with the child's name, grade level and school. Please allow 24/48 hours for a turnaround response.
