 - d.) Tech Needs Estimate: \$55,000

Any other items of business.

This meeting was a preview of what we will be discussing in earnest in February. Stacie briefly explained the 3a, b, b and d- about Trustlands and TSSA. She talked about how money is allocated and how money has been spent in the past. She asked all on the committee to ask around and come up with suggestions if we have ideas of ways we think the money may be best spent.
