## **From always buzzed to the HEALTHIEST version of her.**

Yesterday one customer called me and started to cry. I was in shock and got goosebumps all over my body. Asked her:” mam are you ok? Is there any problem?”

With a stuttering voice, she answered: “Thank You for saving me”

I didn’t know what to say. “Mam, what happened?” I asked.

She said “After 3 Years of trying to be sober, each time I failed. My parents became disappointed and threw me out because I was an alcoholic. Now after just a month, I came back. I never saw my mother this happy, I had a big change, and finally became sober only because of your drinks”

- I'm gonna show you the absolute modern way to rock and roll. A non-alcoholic drink that tastes like heaven, changes your mood won't show any side effects, makes you sleep like a panda, and wakes you up with nuclear energy.
