Organizing Committee of Scientific and Practical Conference:

Organizing Committee

The head of committee

Rector of M.I. Pirogov VNMU

Doctor of Medicine, Professor, Viktoriya Viktorivna Petrushenko

Co-chairmen:

O.I. Zadorozhna MD, Director of DHP end rehabil. Vinnytsia RMA,

O.V Shysh. MD, Director of DHP Vinnytsia city council.

V.I. Chernii, MD Doctor of medical sciences, corresponding member of National Academy of Sciences of Ukraine, professor

Executive Director:

Mykola Longinovych Gomon, MD, Doctor of medical sciences, head of the department, professor. 0677243107; 0637780660; mgomon@meta.ua

Members of the organizing committee

I. Andrushko. vice-rector of VNMU, doctor of medicine, professor

K. Bertsun., MD, PhD, Head of Neonatal ICU

T. Bondarenko MD, Deputy Director of DHP Vin. OMA

O.Budyuk, MD, Doctor of medical sciences, professor;

Villiam Donic, MD PhD, professor, Vice-Rector (Slovakia)

U. Fesenko, MD Doctor of medical sciences, professor, (Lithuania. Vilnius)

O. Halushko, MD Doctor of medical sciences, professor

V. Hnativ, MD, the head of the department, Doctor of medical sciences, professor;

R.Homon, chief specialist, neonatology;
S. Hrytsenko, MD, the head of the department, Doctor of medical sciences, professor;
O. Datsyuk, MD Doctor of medical sciences, main anesthesiology specialist,
professor
O. Domaratsky MD PhD, associate professor;
V. Dudnyk MD, the head of the department, Doctor of medical sciences, professor;
O. Yemiashev O., MD chief specialist, anesthesiology.
Oles Yehorov, MD PhD ass. prof. (WHO expert, Israel)
O.Kanikovskiy, MD, the head of the department, Doctor of medical sciences,
professor
K. Karnaukh, chief specialist, anesthesiology;
S. Khimich MD, the head of the department, Doctor of medical sciences, professor;
I. Kukuruza., MD, chief specialist, PhD, obstetrics;
O. Klihunenko, MD, vice-president of USAIC, professor
Christopher Hansebout, MBBS, MSc., D.ABA (CCM), FRCPC (Ontario, Canada)
Lisa Corbett, MD PhD professor (USA, Minnesota)
A.Mazur, MD, Doctor of medical sciences, professor;
Oleg Turkot, MD PhD professor (USA, Baltimore)
A.Pirnykosa MD PhD, head doctor of Medical Territorial Unity “Vinnytsia Regional
Center of Urgent Medical Aid and Emergency Medical Aid”.
V.Pohoriliy, MD, holder of post-doctoral degree in medicine, Vice-Rector of VNMU,
professor.
M. Pokydko, the head of the department, Doctor of medical sciences, professor
A.Starodub, chief specialist, pediatric anesthesiology;
N.Tytarenko, MD PhD, associate professor.
R.Tkachenko MD, doctor of medical sciences, professor;
V.Shaprinsky MD, the head OF THE DEPARTMENT, Doctor of medical sciences,
professor;
Y. Shaprinsky MD, doctor of medical sciences, professor.
O.Yablon. MD, the head of the department, Doctor of medical sciences, professor;
O.Yakymenko, MD PhD, associate professor..

Contact information of the local organizing committee:

Halyna Mazur, responsible secretary.

10.35.-10.50	V. Cherniy (corresp. member, doctor of medical sciences, prof.). Modern concept of anesthesia during X-ray endovascular angioplasty. (Kyiv, Ukraine).
10.50 -11.25	O. Yegorov (MD, PhD, WHO consultant). Occupational burnour of medical stuff (Haifa, Israel).
11.25 -11.40	R. Tkachenko (MD, doctor of medical sciences, prof.). High-quality perioperative management as a direction to increase the rating of the operative gynecology clinic (Kyiv, Ukraine).
11.40 -11.55	O. Halushko (doctor of medical sciences, prof.), Intensive care of hyperglycemic crises in the elderly – new approaches and recommendations (Kyiv, Ukraine).
11.55 -12.10	O.Datsyuk (doctor of medical sciences, prof.) Experience of intensive therapy of toxic hepatitis in patients with multiple organ failure (Vinnytsia, Ukraine).
12.10 -12.25	Discussion, questions and answer session. Coffee-break

12.25-13.10. Anesthesiology support of militaries and civilians at the stages of emergency and planned interventions.

Presiding: U. Fesenko

12.25.-12.40	V. Cherniy (corresp. member, doctor of medical sciences, prof.). Topical issues in the treatment of postoperative pain. (Kyiv, Ukraine).
12.40.-12.55	O. Kanikovskiy (doctor of medical sciences, prof.), I. Pavlyk (PhD, associate professor), Yu. Punko The method of protection of pancreaticojejunostomy as a method of controlling early and late perioperative complications in patients operated on for complicated forms of chronic pancreatitis (Vinnytsia, Ukraine).
12.55-13.15	Yu. Kozlovskiy (PhD, associate professor), O.Datsyuk (doctor of medical sciences, prof.) I. Kozlovska Experience with graded dosing of hyperbaric bupivacaine for spinal anesthesia in orthopedics (Вінниця, Україна).
13.15-13.30	M. Gomon (doctor of medical sciences, prof), A. Vygonuk, Some aspects of multimodal analgesia in military mine-explosive trauma (Vinnytsia, Ukraine).
13.30-13.40	Discussion, questions and answer session

13.40-14.40

Lunch break

14.40-15.50. Evening meeting. Anesthesia and intensive care in pediatrics, neonatology.

Presiding: O. Horbatiuk, T. Bondarenko

14.40-14.55.	O. Horbatiuk (doctor of medical sciences, prof.) Perioperative care for newborns with internal malformations of the gastrointestinal tract according to modern recommendations or the ERAS Association. (Kyiv, Ukraine).
14.55-15.15	K. Bertsun (PhD, associate prof.), O. Rubina (PhD, associate prof.), O. Moravska (PhD, associate prof.), R. Homon Clinical case of conservative treatment of a large omphalocele. (Vinnytsia, Ukraine).
15.15-15.35	A. Starodub, V. Starodub Analysis of the microflora of the intensive care unit for children during 2022-2024 (Vinnytsia, Ukraine).
15.35-15.50	Discussion, questions and answer session

15.30-17.40 Continuation of evening meeting. Section of young scientists (Poster reports)

Presiding: *N. Tytarenko, M. Gomon*

15.50-16.00.	G. Khasanadze. Preoperative echocardiographic parameters in patients with aortic valve pathology as predictors of postoperative atrial fibrillation (Kyiv, Ukraine)
16.10-16.20	M. Loshankova, A. Serbeniuk (PhD) Use of beta-glucuronidase level in complex treatment and monitoring of estrogen-dependent diseases (Kyiv, Ukraine)
16.20-16.30	H. Lisovska Study of indicators of immune status in children receiving immunosuppressive therapy (Kyiv, Ukraine)
16.30-16.40	K. Bodashevska, A. Sukhanova (doctor of medical science) Determination of predictors of the development of chronic endometritis after artificial termination of pregnancy. (Kyiv, Ukraine)
16.40-16.50	K. Bohadelnikova Comparison of the results of two variants of sling operations for stress urinary incontinence in military conditions (Kyiv, Ukraine)
16.50-17.00	T. Pavliv, Ya. Feleshtynskyi (doctor of medical science) Acute pancreatitis in pregnant women: peculiarities of diagnosis and treatment (Kyiv, Ukraine)
17.00-17.10	K. Kushnir The influence of celiac disease on the quality of life of childbearing age women (Zhytomyr, Ukraine)
17.10-17.20	Ahmad F.M. Analysis of the results of treatment of patients with fractures of the proximal part of the femur (Kyiv, Ukraine)
17.20-17.30	R. Banakhevysh (doctor of medical science), K. Parienko, A. Vozniuk (PhD), O. Hryshchenko Prevention of complications in the treatment of genital prolapse with the use of prolene implants (Dnipro, Ukraine)
17.30-17.40	Discussion, questions and answer session. The end of the first day of conference

05th october 2024 10.00

10.00-11.30. Morning meeting. Multi-vector intensive care of wounds and their complications. Respiratory and multimodal support and anti-shock therapy

Presiding: *Yu. Kozlovskyi*

10.00-10.15	V. Cherniy (corresp. member, doctor of medical sciences, prof.). Modern treatment methods of traumatic brain injury. Features if combat head injury (Kyiv, Ukraine).
10.15-10.30.	R. Tkachenko (doctor of medical sciences, prof.) Patient-directed infusion therapy for septic shock (Kyiv, Ukraine).
10.30.-10.45	O. Halushko (doctor of medical sciences, prof.) Senile “fragility” syndrome, what an anesthesiologist needs to know (Kyiv, Ukraine).
10.45-11.00	N.Titarenko N.V., (Ph.D., Assoc.) Infusion media as pharmacotherapy: what rules must be followed? (Vinnytsia, Ukraine).
11.00.-11.15	P. Slobodian Nutritional support in colorectal surgery: current approaches and recommendations (Vinnytsia, Ukraine).
11.15-11.30	K. Kreniov (PhD) Effect of infusion therapy on markers of endothelial damage (Khmelnyskyi, Ukraine)
11.30-11.45	Kozlovsky Yu.K. (Ph.D., Assoc.) Kozlovska I.Yu. Intrapleural analgesia. (Vinnytsia, Ukraine).
11.45.-11.55	Discussion, question and answer session.

11.45-14.15. Continuation of morning meeting. Others. Ultrasound training in anesthesiology

Presiding: T. Zhovnir

11.55.-12.20	U. Fesenko (Doctor of medical sciences, prof.) What should an anesthesiologist know about botulinum toxin (Vilnius, Lithuania).
12.20.-12.35	Zh. Ushnevych, M. Zamkowski Effect pf preoperative botulinum toxin injections on the rapid recovery of patients with giant cicatricialv ventral hernias (Lviv, Ukraine. Gdansk, Poland).
12.35-12.50	Yu. Bondar, O. Datsiuk (Doctor of medical sciences, prof.) Cognitive dysfunction after otolaryngological operations: risk factors (Vinnytsia, Ukraine).
12.50 - 13.05	H. Bevz (PhD, associate professor), Peculiarities of epidural anesthesia/analgesia support: what shoud an anesthesiologist know? (Vinnytsia, Ukraine).

13.05-13.55	P. Slobodian Ultrasound control during trunk blocks (Video demonstration) (Vinnytsia, Ukraine).
13.55-14.10	O. Kutsyk (PhD) , Ultrasound control during limb blocks (Video demonstration) (Vinnytsia, Ukraine).
14.10-14.15	Discussion

14.15.- 15.00 Lunch break

15.00-18.00. Evening meeting. Key issues of anesthesia care and intensive care in obstetrics and gynecology.

***Presiding:** M. Gomon, N. Tytarenko*

15.00-15.30	* D. Konkov (Doctor of medical sciences, prof.) Features of optimization of infusion therapy for excessive vomiting in pregnant women (Vinnytsia, Ukraine)
15.30-15.45.	* N. Tytarenko (PhD, associate professor) , Hemostatic resuscitation for obstetric bleeding (Vinnytsia, Ukraine).
15.45.-16.00	I. Kukuruza (PhD, associate professor) , Ropesthesia as a modern standart of labor analgesia (Vinnytsia, Ukraine)
16.00-16.15	A. Padalko, D. Dziuba (Doctor of medical sciences, prof.) Multimodal low-opioid general anesthesia for caesarean section . (Kyiv, Ukraine)
16:15-16:30	N. Tytarenko (PhD, associate professor) Neuroaxial ultrasound (Vinnytsia, Ukraine).
16.30.-17.00	O. Turkot (as/professor) MD Sutter Roseville Medical Center associate Program.Director. Toph monitoring in the 21 st century, what does it give us? (Sacramento, California, USA).
17.00.-17.25	Christopher Hansebout (Assistant professor Department of Anesthesia I Perioperative Medicine Western University Schulich School of Medicine) MD Modern approaches to analgesia of fractures in the chest (Ontario, Canada)
17:25-17:50	Questioning
17.50-18.00	Adoption of a resolution on the conference. Conference closing.
*	Not a reason for awarding continuous development points
