- ~~“Contact Us” button from “Donate” page, leads to a different “Contact Us” page, than the “Contact Us” link on the footer and seems to be duplicate/redundant:~~

Recommendations:

 - ~~Also see recommendation for “Contact Us” page itself below.~~

WHAT WE DO

- ~~Broken images on~~
~~<https://globaljusticeecology.org/what-we-do/new-voices-speakers-bureau/>~~

CONTACT

- There instances of email address links being obfuscated, including the main contact email. See below example, but there are other instances. This was likely due to some

error. If email is personal, then just remove it instead.

- ~~“Contact Us” page (link from Footer): <https://globaljusticeecology.org/contact/>~~

~~“info @ globaljusticeecology.org”~~

~~“steve @ globaljusticeecology.org”~~

~~For someone who will be copying and pasting this email, this will result in a typo.~~

~~Recommendation:~~

- ~~○ Remove spaces around the @ sign of the emails:~~
- ~~○ Change email address to dynamic link, so it can immediately launch user's email client.~~

The FB, Twitter, and LinkedIn logos are old
