Attention Students of Class of 2027: Check your emails now!

Students who plan to drive to school during the '26-'27 school year may now apply to enter the lottery for our limited (50-60 spots) on-campus student parking, through June 4th. ONLY students may apply for parking and must do so when logged into their VUSD Google account. All parking spots at FTTHS are assigned, and the only way students may park in the assigned spots on campus is through following this process.

Hey Dragons! Missed the original air guitar audition date? No worries! Late auditions will be held soon in D108, check your email for more information.

Air guitar will be on Friday 5/22 and we will have a closed campus for all students through 2:35. All students, regardless of their grade, off campus pass or schedule will be required to stay until 2:35 on the 22nd. No students will be permitted to go off campus for lunch on the day of Air Guitar. Lunch will be available in the cafeteria and available for purchase as part of the food fair. Students who have work, have a reduced schedule, have medical appointments, or need to leave campus before 2:35 FOR ANY REASON will need to bring a note from a parent to leave early before the event begins. Students are also expected to sign out in the office. Please plan ahead and bring your note in the morning if you need to leave before 2:35.

May is Mental Health Awareness Month, and the color to show solidarity is green. Remember to wear your green stickers, bracelets, and ribbons so we can challenge stigma around mental health issues and create a school environment where we all feel supported, understood, and connected.

Need a little extra support? The Wellness Center is starting small groups for students dealing with grief, anxiety, stress, and balancing life with school and activities. We also offer an Alateen group for students affected by someone else's drinking. Scan the QR codes on posters around campus or stop by the Wellness Center to talk with Becca. All groups are confidential.

Help keep the campus clean, green, and serene—your litter is your responsibility. Take pride in your surroundings by using bins, reducing waste, and help cultivate a healthy, welcoming environment for everyone. Simple acts, like picking up litter, make our campus shine.

Yearbook pricing- Yearbooks are on sale now for \$85 through May 20th, 2026 - That's one month until your last chance to purchase a yearbook will be May 20th, 2025 at 1PM in-person at the Student Store or 3:30PM Online.

Friendly reminder-We have had quite a few students arriving late and leaving early without stopping in the office. Students who arrive on or leave campus midday MUST check in or out in the office. It is crucial for attendance in the event of an emergency. Students who do not stop in the office may not have absences excused. Mid-day absences may not be cleared after.

The City Bus will be remaining on Loma Vista at North Campus Drive and at Day Road. They are

continuing this detour to maintain consistency while Telegraph is under construction.

Lost and Found: If you are missing any treasures you may have left behind around campus, please come look for them on the lost and found table in the office or at the front of the school.

The office will no longer be holding food orders placed by or for students. If you order food at lunch, you must meet them yourself outside.

Looking for a great place to hang out and stay cool? Come to the Game Room between 12:25-12:55 Wednesday - Friday to hang out! A big thank you to Mrs. Napora and Mr. Fraizier for making this happen

Students with open periods:

- Some students may not be enrolled in one or more periods during the day
- Students who have an open period at the end of their academic day will be released for the day
- Students who have an open period in the middle of the day, between two academic periods, are required to stay on campus through the end of their academic day.
- Students who are released early may not be on other VUSD school campuses.

Campus Boundaries: Hang out with us in the quad! Students must stay within the gates at all times. Students MAY NOT hang out in the parking lot, the back of the school behind the black box, or the garden outside of the gates at any time. The gates at the front of campus will be closed during school hours (8:30-2:30). The gate next to the front office will remain open throughout the day. Students arriving late, leaving early, or going off campus for lunch will need to enter and exit through the gate next to the main office, please plan accordingly.

Cell phones and airpods take away from the learning environment and are not allowed to be out or used anywhere on campus during class time. Students may not be on phones during class time anywhere on campus including hallways, the restroom and the quad. Students on cell phones during class time will have them taken to the office. If you have an emergency where you need to use your phone during class time anywhere on campus you must speak to and be with a staff member.

Bulletin requests, In order to be included on the next day's bulletin, notices must be submitted NO LATER THAN 2:00 PM THE PREVIOUS DAY.

Out of class during class time: Students being in class during instructional time is important. Students frequently leaving class is a disruption to teaching and learning. Students should be using the restroom during breaks and only using the restroom during class time if it is an emergency. Every student who needs to be out of class during class time will be required to have a signed pass from their teacher to leave during class time and will need to leave their cell phone in the classroom. Restroom breaks are to be less than 5 minutes or students may use the restroom in the health office. Please do not plan on leaving class during instructional time unless it's an emergency.
