1951

July 22

- Norman Osborn is born.

1952

- Benjamin “Ben” Parker is born.

1955

May 5th

- Maybelle “May” Reilly is born.

1967

March 13th

- Rajit Ratha is born.

1971

- Norman Osborn, 20, suffers symptoms of an illness called, “Retroviral Hyperplasia”

1976

- Aunt May marries Uncle Ben.

1989

November 22nd

- Wade Wilson is born. (Regina, Saskatchewan, Canada.)

1994

October 20th

- Matt Murdock is born. (New York City, New York)

December 13th

- Harry Osborn is born. (New York City, New York)

1995

June 3rd

- Mahina Williams is born. (Hawaii)

August 10th

- Peter Parker is born. (Forest Hills, New York)

September 2nd

- Gwendolyn “Gwen” Stacy is born. (New York City, New York)

1996

November 10th

- Mateo Jose (MJ) Villanueva-Gutierrez is born. (Sunset Park, Brooklyn, New York)

1998

- Curt Connors loses his arm.

2002

February

- Harry Osborn and Peter Parker become friends.

December 6th

- Richard Parker makes a video log and deletes his research.
- Richard and Mary Parker leave Peter (age 7) with his Uncle Ben and Aunt May.
- Richard and Mary's plane is hijacked.
- Richard actually uploads his research to his 'secret base' on the Roosevelt Line.
- Richard and Mary Parker die in a plane crash.

2004

- Peter Parker gets braces.

2005

- Wade Wilson, age 16, enlists in the Canadian Special Forces.

2006

- Peter Parker gets his braces off.
- Harry Osborn, age 11, is sent off to boarding school.

2009

August 12th

- Peter Parker begins his freshman year at Midtown High.
- Gwen Stacy begins her freshman year at Midtown High.

2010

August 18th

- Peter Parker begins his sophomore year at Midtown High.
- Gwen Stacy begins her sophomore year at Midtown High.
- MJ Villanueva-Gutierrez begins his freshman year at Brooklyn Visions Academy.

December 13th

- Harry Osborn, age 16, receives a bottle of Scotch for his birthday.

2011

August 17th

- Peter Parker begins his junior year at Midtown High.
- Gwen Stacy begins her junior year at Midtown High.
- MJ Villanueva-Gutierrez begins his sophomore year at Brooklyn Visions Academy.

2012

August 15th

- Peter Parker begins his senior year at Midtown High.
- Gwen Stacy begins her senior year at Midtown High.
- Matt Murdock begins his freshman year at Columbia University.
- MJ Villanueva-Gutierrez begins his junior year at Brooklyn Visions Academy.

2013

February

- Peter takes a picture of the debate team.
- Danny, a classmate and member of the science club, tells Peter that Flash was making him help cheat on tests
- Danny wants help, but Peter blows him off.
- Peter goes home and talks with Uncle Ben in the basement where he is tinkering with a clock. Uncle Ben offers him good advice.
- Peter crafts a lock for his door controlled by a remote.

- A ‘Good Samaritan’ tells Gwen that Flash is bullying Danny, so she meets Danny at a coffee shop to talk about it.
- Gwen tries to confront Flash but he denies it.
- Gwen asks Dr. Connors, her mentor, for help. He gives her good advice that helps her make a decision.
- Gwen offers to tutor Flash after school instead of him relying on cheating, which he agrees to.

March

- Captain George Stacy starts a sting operation to find criminal hideouts.

March 11th

- Flash Thompson bullies a student named Gordon and tells Peter to take a photo.
- Peter refuses and is beaten up by Flash, only to be saved by Gwen Stacy talking to Flash about tutoring after school.
- Peter and Gwen introduce themselves to each other while in class.
- When checking the leaking basement, Peter finds a briefcase that belonged to his father.
- Inside, Peter finds his father’s papers and research from the cross-species genetics project at Oscorp, along with the decay rate algorithm.
- Peter ditches his contact lenses in favor of a pair of his father’s glasses.
- Uncle Ben talks with Peter. He gives Peter the name of the man in the picture he found, Dr. Curt Connors.
- Peter tells Uncle Ben that he’s a pretty great dad.
- Peter researches more about Dr. Connors, his father and Oscorp.

March 16th

- Peter heads to Oscorp to find Dr. Connors and takes an internship badge originally intended for one ‘Rodrigo Guevara’
- Peter discovers that Gwen is Dr. Connors’ head intern, and attempts to hide from her.
- This ultimately fails since Peter is the only student who knows about cross-species genetics, which peaks Dr. Connor’s interest.
- Gwen thinks Peter is following her.
- Peter discovers the Biocable Development Unit, which is filled with hundreds of genetically engineered spiders. (*Araneus Oscorpeus.)*
- After entering the room, many of the spiders fall onto him. He is able to shake all except one off, which bites him in the back of his neck.
- While in the NYC subway, Peter discovers he can stick to the roof of the train and other objects, has incredible strength and senses.
- Because of his new powers, he has a huge appetite. He then discovers the spider that bit him, attached to a thread of web coming out from where he was bitten.

March 17th-31st(?)

- Peter struggles to make sense of his new power and handle his stickiness and strength.
- Uncle Ben discovers Peter Parker on the roof and tells him to be careful.

April 7th

- Peter visits Dr. Connors at his home and gives him the decay rate algorithm. This starts their partnership.

April 8th

- Peter uses his powers to humiliate Flash while he plays basketball.
- Peter is given community service for his disruption and destruction of school property (breaking the backboard).
- Uncle Ben had to change shifts at work, reminding Peter to pick up Aunt May that night at 9:30.
- Peter (awkwardly) flirts with Gwen and succeeds.
- Using his powers, Peter skates at a warehouse and explores his abilities. He sticks to the wall, hangs from the rafters and swings from chains.
- Peter works late at Oscorp with Dr. Connors, thus forgetting to pick up Aunt May.
- Peter and Uncle Ben get in a fight, Peter running off and shattering the glass door in the process.
- Uncle Ben follows after him, Peter going to a bodega that gets robbed by a man with a star tattooed on the inside of his left wrist.
- Uncle Ben is shot and killed while trying to stop the thief.
- Peter listens to the last voicemail Uncle Ben left him, but is unable to finish it.

April 9th

- Peter is approached by Flash and ends up pinning him against his locker. Flash then says he just wanted to say sorry for his loss.
- Gwen hugs Peter, but he pulls away and refuses to talk to her.

April 12th

- Peter goes after a potential killer of Uncle Ben and manages to evade a group of people.
- Peter falls into a gym and sees a wrestling mask belonging to *El Cruzado de la Noche.*
- Peter realizes he needs to make a costume, he cannot have people know his identity.

April 14th

- After making a costume, he goes after another potential killer.

April 20th

- Peter develops his webshooters using Oscorp's BioCable, which was created by the spiders who bit him.

April 21st

- Peter practices his new abilities, managing to do a one armed handstand on a building.
- Peter swings for the first time using his webs
- That night, Peter goes after another potential killer.

April 22nd

- NYPD discovers Spider-Man.
- Peter researches what to use for his costume.
- He is known as a vigilante.

April 23rd

- Overhearing a conversation on campus about Spider-Man, two guys comment about spandex.

April 24th

- Peter creates his costume, the TASM1 suit.

April 28th

- Peter debuts his new costume, swinging across the city.
- Aunt May calls Peter to ask him to grab organic eggs from the store.
- Peter goes after a car thief, playing around with him and testing his webshooters. ('My weakness, small knives!)
- Peter evades the police by swinging away. 38 officers are unable to find him
- Peter forgets to bring home eggs.
- Aunt May is worried about Peter, discovering he's been beaten up. Tensions rise between the two of them.

April 29th

- Dr. Curt Connors is forced to begin human trials on the Lizard DNA by Dr. Rajit Ratha.
- Gwen invites Peter over for dinner with her family.

- Dr. Connors uses himself as the first human test subject.
- Peter arrives at Gwen's apartment, using her fire escape instead of the front door. He tries to give her flowers, but they were crushed in his backpack.
- Peter discovers that Captain George Stacy is Gwen's father.
- Curt Connors wakes up with a new arm thanks to the injection he gave himself. The injection, however, turns him into the Lizard.
- Peter and Captain Stacy argue about Spider-Man. Things get heated, so Gwen and Peter step outside on the balcony.
- Peter tells Gwen that he is Spider-Man and they kiss.
- The Lizard wreaks havoc on the Williamsburg Bridge.
- Spider-Man springs into action, saving multiple cars from falling off the bridge.
- Peter saves a little boy named Jack from a car that bursts into flames.
- Peter officially calls himself Spider-Man.
- Dr. Connors retreats to the sewers.

April 30th

- NYPD issues an arrest warrant for the masked vigilante known as Spider-Man, announced by Captain Stacy.
- While sitting on the bleachers, Peter shows Gwen the spider that bit him and the origins of his power.
- Gwen finds out that she is the only one who knows about Peter's identity.
- The two kiss again, Peter catching a football and throwing it back, denting the field goal post in the process.
- At Oscorp, Peter discovers that Dr. Curtis Connors is the Lizard after speaking with him.
- Peter goes to the police with this information, telling Captain George Stacy.
- Captain does not believe Peter, but he gathers all information the police have about Connors.
- Peter discovers lizards crawling into the sewers while walking by the subway.
- Peter goes to investigate in his suit. He builds a web to sense vibration to see where the Lizard could be. He also sets up his camera to take pictures.
- Little lizards gather on the web, only for the Lizard to appear and attack Spider-Man.
- The Lizard discovers the camera and sees it belongs to Peter Parker.
- Peter escapes the sewer and arrives at Gwen's apartment severely injured.
- Gwen tries to get her father away from her room to hide Peter, stating she is 17 and doesn't want cocoa, that a chocolate house is impractical and fattening. Then, she states she is on her period to get him away.
- Gwen cleans Peter's wounds on his chest.
- Gwen worries about Peter's safety, but Peter insists that he has to stop the Lizard. It is his responsibility.
- Peter takes Gwen out for a swing.
- Dr. Connors injects himself again, the Lizard speaking to him like a second identity.

May 1st

- The Lizard crawls into Midtown High through the sewer and attacks Peter.
- After being thrown by the Lizard, Peter emerges in his suit and they fight.
- The fight moves into the library, where an unsuspecting librarian listening to music has no idea that the fight is going on.
- The Lizard escapes the school through the sewers when the police arrive.
- Peter escapes through the sewer too, tracking the Lizard.
- Peter asks Gwen to head to Oscorp and make an antidote serum.
- In the sewer, Peter discovers Connors' plan of turning the whole city into lizards.
- The police shoot at the Lizard, only for him to attack back and turn them into lizards too.
- Gwen successfully arrives at Oscorp to start the antidote.
- Peter calls Gwen and tells her to leave because the Lizard is on the way. Gwen ignores him to evacuate the building and remains with the antidote while it cooks.
- Both Spider-Man and the Lizard travel to Oscorp, NYPD shooting at Peter.
- NYPD successfully hits Peter with a taser, knocking him to the ground.
- The police attempt to arrest him, Captain Stacy unmasks him.
- Once his mask is off, Peter springs back into action to try and stop the cops.
- Captain Stacy discovers that Peter is Spider-Man.
- Peter tells Captain Stacy that his daughter is in Oscorp right now, trying to convince him to let him go so he can save her and the city.
- Despite being told to hold their fire, Peter is shot in the thigh by the NYPD.
- The Lizard arrives where Gwen is, tearing open the door to take the Ganali Device from her.
- NYPD calls for a city-wide evacuation, Aunt May worried sick since Peter isn't home.
- Jack's father gets the construction workers and crane operators to help Spider-Man as a thank you for saving his son.
- The cranes form a clear path for an injured Spider-Man to take to get to Oscorp.
- Captain Stacy arrives at Oscorp, telling Gwen to get in the car. He will take the antidote to Spider-Man.
- Spider-Man and the Lizard fight on Oscorp Tower.
- The Lizard damages Peter's webshooters and pulls off his mask.
- Captain Stacy, having arrived on the roof, and Peter use liquid nitrogen to fight back
- Captain Stacy hands Peter the antidote, only to get critically wounded by the Lizard's claws through his stomach,
- Peter successfully adds the antidote, launching it into the sky and curing Connors and the others affected by the lizard serum.
- Connors catches Peter to prevent him from falling off of the building.
- Captain Connors tells Peter to leave his daughter out of this. He makes Peter promise him as his dying wish.
- Captain George Stacy succumbs to his injuries and dies.
- Curtis Connors is taken into custody.
- Peter arrives home, clearly injured and tired, but he pulls a carton of eggs out of his backpack. He remembered them this time.
- Aunt May and Peter hug, Peter stating it was a long night.

May 3rd

- Two days after the attack of the Lizard, over 45% of New Yorkers say they are just as afraid of the mysterious Spider-Man as they are of the reptilian menace.
- The Daily Bugle poll also shows that 83% of respondents expect superhuman criminal activity to rise in the coming years, with 95% afraid that the NYPD won't be able to do enough to protect New Yorkers from harm.

May 13th

- Captain George Stacy's funeral. Peter does not attend. Instead, he watches from the rooftop of the church, hidden.
- Gwen shows up at Peter's house and asks him why he wasn't there.
- Peter says he cannot see her anymore.
- Gwen asks if her father made him promise, but he did not respond.

May 14th

- Peter listens to Uncle Ben's last voicemail in full this time.
- Peter spots graffiti of his logo on a wall. He is a hero.

May 15th

- Flash is now friendly with Peter.
- Peter compliments Flash's Spider-Man shirt, and flash states that 'dude's crazy. the chicks dig him,'
- Peter Parker shows up to class late and hints that he may keep seeing Gwen.

May 18th

- Flash Thompson leads Midtown Science High (21-5) to victory against Settlement Prep(23-3) by a score of 59-57, placing Midtown High in their first city final since 1987.
- The 'Spidey Salute' was banned from being used. Despite that, Flash did it anyway.
- Flash netted 26 points with 13 rebounds, including the game-winning three-pointer with five seconds to go.

May 20th-31st

- Peter and Gwen continue to see each other.
- Peter and Gwen design a new suit for Peter (TASM2)

June 1st-14th

- Aleksei Sytsevich and his gang steal an Oscorp truck with plutonium.
- Max Dillan is almost hit while carrying blueprints, but Spider-Man saves him.
- Spider-Man calls Max his eyes and ears. This begins Max's obsession with Spider-Man.
- Gwen calls Peter and asks where he is. Peter is late to graduation.
- Peter is haunted by breaking Captain Stacy's dying wish.
- Gwen gives her Valedictorian speech at graduation.
- After apprehending Aleksei, Peter arrives at graduation just in time and kisses Gwen on stage.
- Peter Parker and Gwen Stacy graduate from Midtown High. Peter is second in his class.
- Aunt May takes a picture of Peter and Gwen together.
- Flash Thompson reveals he got into Dakota State University and thanks Gwen for tutoring.
- Riddled with guilt, Peter tries to break up with Gwen to respect her father's wish.
- Instead, Gwen breaks up with Peter.

July

- Wade Wilson moves to New York City.
- Wade Wilson meets a bartender named Weasel.

August 10th

- Peter's 18th birthday.

August 12th

- Peter Parker begins his freshman year at Empire State University, but remains living with Aunt May.
- Gwen Stacy begins her freshman year of college.
- Mahina Williams begins her freshman year at Empire State University.
- Matt Murdock begins his sophomore year at Columbia University.
- MJ Villanueva-Gutierrez begins his senior year at Brooklyn Visions Academy.

September 5th

- Gwen's 18th birthday.

October 14th

- Oscorp's stock climbs four points.

- The construction on the prototype alternative energy power plant, complete with hydroelectric tower, is on schedule for completion within the next year.
- Other highlights include a preview of a flight harness for the military and significant advancements in robotics by the head of the engineering division, Spencer Smythe.

October 23rd

- A trial date is set in the New York Appellate Court for alleged bio-terrorist Dr. Curt Connors.
- The former Oscorp biogenetics scientist is indicted on twenty city and state counts, including trespassing, malicious destruction of property, theft of private property, aggravated assault, and using a weapon of mass destruction.
- Connors pleads “not guilty” to all counts.

October 30th

- Editorial posted by J. Jonah Jameson claims Spider-Man is a menace. He does not think he is a hero.

November 15th

- Dr. Rajit Ratha is identified as a badly decomposed body found in the sewers beneath lower Manhattan.

November 20th

- Oscorp Industries set on the construction of an experimental hydroelectric power plant.
- Resolution 2013.2.C4A signed by the NYC mayor is enough to signify the end of months of legal maneuvering, bureaucratic red tape, and political wrangling.

November 24th

- Spider-Man takes the time to swing and talk to a civilian training for a marathon.
- Spider-Man encourages the runner to keep up with his swinging and helps him set a personal best.

November 27th

- $200,000 goes missing from the armored vault at G.K. Mason Bank.
- Police are unsure who the culprit was.

December 12th

- An argument inside the Zero One Lounge turns ugly when reputed mob enforcer, “Fancy” Dan Brito, pulls a gun on rivals from the Manfredi crime family.
- As club-goers fled onto the streets of the Meatpacking District, Spider-Man dropped down out of the sky.
- Bystanders claimed that Spider-Man mocked the thugs as he fought them.
- Spider-Man disappears from the scene after webbing the mobsters up.

December 16th

- Spider-Man stops a guy from robbing a flower stand, webbing him up and tossing him in a dumpster.
- The flower stand owner notices Spider-Man eyeing the roses. 9 bucks a dozen.
- Spider-Man gives him a ten and swings away with a dozen roses.

December 17th

- Russian organized crime family activity increases.
- NYPD denies the existence of ‘Big Man’, a central figure controlling the mob.

December 19th

- PR for Oscorp states Harry Osborn was studying in Europe.
- After being shown a picture of Harry partying with bikini wearing models, Oscorp’s spokesman says: “A snapshot cannot capture a life. Harry is a brilliant young man with a very bright future. He may be a little green, but the future is bright.”

December 27th

- Spider-Man catches Herman Schultz (Shocker) attempting to rob the Midtown bank.
- Herman Schultz is taken to Ravencroft Institute.

2014

January 1st

- Spider-Man appears at Times Square to ring in the New Year.
- Peter starts working as a photographer for the Daily Bugle.

January 3rd

- A woman walking home after walking late sees Spider-Man cheering her karaoke skills on.
- Spider-Man was watching her to make sure she got home safely.

January 6th

- Dr. Curtis Connors is found guilty on all twenty counts, including for the murder of NYPD Captain George Stacy.
- Connors is sent off to Ryker's.

January 9th

- Empire State University announces a new class for the 2014 fall semester in advanced bio genetics that requires successful cloning of a living creature.
- They work on cloning single-celled amoeba.

February 7th

- NYPD and DA (allegedly) open an investigation into potential criminal activity at Oscorp.

February 20th

- Flash Thompson sends in his theory about Spider-Man's powers.
- "*He's probably just a regular guy who got his powers by accident. Who cares? What really matters is what he's doing with them now that he has them, right? Spidey's keeping the streets clean and sticking up for everyday New Yorkers. He's showing us we gotta stick up for ourselves, too. He saved us from the Lizard in our High School and no matter who he turns out to be, I'm always going to be on his side."*

February 28

- Oscorp Industries ends Cross-Species Genetics research.
- Oscorp destroys all of the research.
- May Parker begins taking nursing classes.

March 11

- NYPD and Mayor officially closed their investigation into gross and systematic ethics abuses at Oscorp.
- No criminal mischief is discovered and no charges filed.

March 12

- Factions of the Russian Mob and Big Man's gang get into a dramatic shootout, killing 3.
- Security footage captures the first visual confirmation of 'Big Man'.

March 14th

- Herman Schultz escapes from Ryker's.

March 18th

- 'Big Man' is captured during a nighttime raid by Spider-Man.
- The gangster is revealed to be Daily Bugle crime beat reporter Frederick Foswell.

March 20th

- Peter continues to Spider-Man. He sees Gwen, but decides not to interact with her to let her live her life.
- Covered in soot and smelling like smoke from a fire, Peter barely manages to hide himself and his Spider-Man identity from Aunt May.

April 1st

- Herman Schultz is apprehended by Spider-Man again.

April 4th

- Oscorp fails to secure a contract for the development of a flying suit with the US Military.

April 8th

- Frederick Foswell, aka Big Man, is found murdered. Severe blunt force trauma to the head.
- It is unknown who killed him.

April 9th

- Cletus Kasady, an escaped serial killer, surrenders to the FBI after showing up to a coffee shop.
- Kasady is remanded to Ravencroft for further interrogation.

April 16th

- A grant from Oscorp provides nursing departments across New York City hospitals with the resources needed to maintain necessary staffing.
- The grant supplies hospitals with extensive robotic medical equipment upgrades.
- When asked about the improved equipment for nurses in city hospitals, nurse May Parker said, “It’s great to see more opportunities for younger nurses and it’s also an amazing gift to the people of New York City. I’m excited to learn how to use these new machines, even if they do look a little scary.”

April 20th, Day

- Max Dillon’s birthday.
- Max Dillon meets Gwen Stacy at Oscorp.
- Harry Osborn returns from Europe.
- Norman Osborn, on his deathbed, informs Harry that his illness is genetic and Harry is at the age where it first manifests.
- Norman Osborn dies, Harry is appointed the new CEO.
- Gwen receives a call from the Oxford Scholars Program.
- Max falls into the eel tank and ‘dies’.
- Harry’s first board meeting as CEO.
- Peter visits Harry and offers his condolences. This is the first time they have seen each other in 10 years.

April 20th, Evening

- Max Dillon wakes up as Electro.
- Peter and Gwen meet up for the first time in a year.
- Gwen informs Peter that she may move to England if she earns a scholarship to Oxford University.
- Max Dillon makes his way to Times Square.
- Gwen figures out that Peter has been following her.
- Electro accidentally causes a disturbance, but likes that he is being seen on the screens.
- Spider-Man arrives on the scene and tries to talk to Max.
- Max’s electricity shorts out one of Spider-Man’s webshooters.
- Max causes a power outage at Times Square.
- Electro is subdued by water and brought to Ravencroft.
- Because of the fight with Electro, Peter develops scars in the shape of lichtenberg figures. They are light, but still visible. His suit being rubberized helped protect him a bit.
- Harry discovers info on the Special Projects at Oscorp.
- Peter works on new webshooters.

April 21st, Day

- Harry calls Peter.
- Peter meets with Harry at the Oscorp office.
- Harry asks Peter to help since he is a photographer who has spotted Spider-Man before.
- Gwen looks up Max Dillon's information in the Oscorp database, but the search is blocked.
- Peter doesn't want to help Harry because he knows the transfusion will not help him.
- Security watches after Gwen because she knows about Max Dillon, then chases her.
- Peter and Gwen meet at Oscorp and hide in a closet.
- They end up kissing, but then Peter helps Gwen escape from security.
- Gwen meets Harry in the elevator.
- Electro is experimented on by Kafka in Ravencroft.
- Aunt May discovers that Peter is still looking for his parents.
- Aunt May calls Peter her boy, she loves him like a son.
- Aunt May tells Peter all she knows about his father,

April 21st, Sunset

- Spider-Man visits Harry Osborn. He tells Harry that he cannot give him his blood because it is dangerous.
- This enrages Harry, who calls Spider-Man a fraud.
- Peter crashes Gwen's Oxford interview to talk with her.

April 24th, Sunset

- Peter finds subway tokens for the Roosevelt Secret Station inside of his father's calculator.
- Felicia informs Harry that there is still spider venom from the destroyed spiders. It is labeled in Special Projects.
- Harry accesses the Ravencroft Archives, discovering the truth about Electro.
- Harry Osborn is fired.
- Peter goes to the abandoned Roosevelt station and discovers his father's secret lab.
- On the computer is a message from Richard Parker (The video log from 2002) that tells the truth, Oscorp framed him.
- Harry Osborn goes to Ravencroft to free Electro.
- Finally feeling needed, Electro agrees to help Harry.
- Gwen leaves Peter a voicemail and tells him that she got into Oxford.
- Gwen is on the way to the airport, ready to leave for England for early summer classes.
- Harry and Electro break into Oscorp and Harry makes Donald Menken take him to where the spider venom is.
- Electro heads to the power grid.
- Harry forces Donald to inject with the spider venom, which only accelerates his illness and turns him into a goblin-like creature.

- Harry goes to get the armored suit to restore his health.
- Spider-Man leaves a message for Gwen on the Brooklyn Bridge, spelling out ‘I love you’ in his webs.
- Peter tells Gwen that he will go to England with her, he can Spider-Man there.
- The two kiss, but then there is a massive power outage.
- Electro arrives at the grid and begins to start draining the grid of power.
- Gwen offers a solution to his fried webshooters, Peter needs to magnetize them.

April 24th, Evening

- Gwen and Peter, with the help of the NYPD, magnetize his webshooters.
- Gwen wants to come with Peter, but he webs her hand to the hood of a car to prevent her from coming.
- Spider-Man arrives at the power grid, trying to use water to subdue Electro.
- Gwen frees herself and makes her way to the power grid to help Peter.
- When all seems bleak for Spider-Man, Gwen hits Electro with a car.
- Gwen goes into the building to restart the grid while Peter reconnects power lines in order to overwhelm Electro and cause him to explode.
- The two successfully manage to overpower Electro, who becomes overloaded and explodes.
- The power comes back online all over the city.
- Harry arrives at the power grid on Oscorp technology. He realizes that Peter Parker is Spider-Man because of Gwen’s presence.
- As revenge for not giving him his blood, Harry grabs Gwen and brings her to the top of a large clock tower.
- Harry drops Gwen and Peter catches her, going to fight Harry to try and stop him.
- Peter catches Gwen with his webs again.
- The webbing snaps and Gwen falls. On this third time, Peter is unable to catch her.
- Gwen Stacy falls to her death.

April 27th

- Gwen Stacy’s funeral
- Aunt May leaves Peter to grieve at her grave.

June

- MJ Villanueva-Gutierrez graduates from Brooklyn Visions Academy.

August 13th

- Peter Parker (19) begins his sophomore year at Empire State University, remaining at Aunt May’s house.
- Mahina Williams begins her sophomore year at Empire State University.
- Matt Murdock begins his junior year at Columbia University.

- MJ Villanueva-Gutierrez begins his freshman year at Columbia University.

September 5th

- Peter spends Gwen's 19th birthday at her grave.

November

- Peter gives up being Spider-Man.

2015

February

- Wade Wilson is dishonorably discharged from the Canadian Special Forces after 10 years. (Insubordination)
- Wade Wilson becomes a Mercenary-For-Hire and is affiliated with Sister Margaret's School for Wayward Children.
- Wade Wilson meets Vanessa Carlysle.

April

- Aleksei Sytsevich escapes from The Raft.
- Jorge, the kid he saved earlier, decides to go after Aleksei.
- Aunt May's words inspire Peter to keep going. He takes down his pictures of Gwen and finally listens to her speech from graduation.
- Gwen's speech inspires Peter to finally go back and be Spider-Man.
- Aleksei terrorizes the city in a rhino shaped mech suit.
- Jorge, in a Spider-Man costume, runs onto the scene.
- The real Spider-Man swings into action for the first time in 5 months.
- Spider-Man and the Rhino fight, Spider-Man using a manhole cover as a weapon.

May

- The Rhino is subdued by Spider-Man and finally arrested by the NYPD and is taken to Ryker's.
- Aunt May suggests that Peter should look into student housing to meet new friends and continue on with life.
- Peter, though reluctant, agrees.
- Peter goes to the housing office on the Empire State University campus.
- Peter meets Mahina Williams, also a sophomore, who is looking for a replacement roommate.
- With the help of the housing office, the two get things settled.

- Peter packs his things and goes to say goodbye to Aunt May.

June

- Summer break begins.
- Matt Murdock takes the LSAT.
- Peter's lichtenberg figure scars fade away.

August

- Peter Parker (20) begins his junior year at Empire State University, remaining Mahina's roommate.
- Mahina Williams begins her junior year at Empire State University.
- Matt Murdock begins his senior year at Columbia University.
- MJ Villanueva-Gutierrez begins his sophomore year at Columbia University.

September

- Matt Murdock applies to Columbia University's Law School.

December

- Wade Wilson proposes to Vanessa Carlysle.
- Wade Wilson is diagnosed with cancer of the liver, lungs, prostate and brain.
- Wade Wilson is offered a spot at a facility that will cure his cancer and initially declines.
- He eventually accepts the offer.
- Wade Wilson proceeds to be tortured by a man named Ajax for several days in order to activate his 'mutant' abilities.
- When pushed to his limit with suffocation, his powers activate. He receives a regenerative healing factor that cures his cancer, but mutates his cancer cells and disfigures his body.
- Wade Wilson blows up the facility and escapes.
- Wade Wilson chooses to never return to Vanessa in fear of her hating him and because he thinks her life will be better without him.
- Matt Murdock is accepted into the J.D. Law program at Columbia Law School.

2016

June

- Matt Murdock graduates from Columbia University.

August

- Peter Parker (21) begins his senior year at Empire State University, remaining Mahina's roommate.
- Mahina Williams begins her senior year at Empire State University.
- Matt Murdock begins his 1L at Columbia Law School.
- MJ Villanueva-Gutierrez begins his junior year at Columbia University.
