Survey results are an important part of our planning for next year. The Board uses comments and ideas to form goals. Our management team uses comments to strengthen our

departments and explore new ideas. Your commentary is important to us!

Each adult in your home is eligible to fill out the survey. This year, anyone that completes the survey and fills in the contact information will be entered into a drawing to be held at our Annual Meeting for three \$50 gift cards... Lily's Bistro, Market on Lake Wylie and Coastal Cottage! Paper copies are available in the office for anyone that does not use a computer.

Thank you for taking the time to tell us how you think we are doing!
