Dear John.

I'm a student in grade six at a school in Ha Noi and I am twelve years old. I live in a house with my family in the country. I ride to school every morning.

I like listening to music and playing soccer. On the weekends I go out with my friends. Sometimes we go to the cinema (about once a week), and sometimes we just go for a walk. My favorite subjects at schools are math and English but I don't like geography.

What about you? Please write to me.

Best wishes,

Love
