

## Call for Nominations & Applications for the TCGIS School Board

By serving on the School Board, YOU can help our school, strengthen connections within our community, and make important decisions that affect the future. The work of the

Board ensures that TCGIS provides a meaningful education and experience for all students. The Board represents the entire TCGIS community, and individuals from traditionally underrepresented groups such as BIPOC, LGBTQ, and families with neurodiversity are especially encouraged to apply.

In May, the community will elect 3 new directors to the TCGIS School Board. Based on the current board composition and TCGIS bylaws, directors elected through the upcoming election must include at least one community member; each of the other two directors may be a parent, a teacher, or a community member. Directors are elected to serve a 3-year term that begins in June 2025. We seek any interested persons, especially those with experience in financial compliance, education, board governance, legal matters, management and leadership, and marketing and development.

If you would like to run for the board or nominate someone else to run for the board, all details and forms are available through the links below. Nominees who wish to run in the election are expected to complete the School Board Application Form.

If you have questions or want to talk to a current board member about the role, responsibilities, and expectations, feel free to contact any of the [current Board members](#). Send your nominations or applications to Director Emily Albers ([ealbers@tcgis.org](mailto:ealbers@tcgis.org)).

### Important Dates

**April 11, 2025:** All nominations and applications due by 3:30 pm. Send via email to Director Emily Albers at [ealbers@tcgis.org](mailto:ealbers@tcgis.org) or drop off in the school office.

**TBD:** Meet the Candidates Forum

**Mid-May:** Board election
