Manager/Coaches & Volunteer Support Policy

Ballyoulster Utd AFC is indebted to our managers/coaches and volunteers, who give so much of their valuable time to provide an enjoyable and educational soccer experience for all of the participants within our club.
As a club we will always do our best to support them in their work with us. We will make every effort to assist new volunteers in whatever capacity we can, through induction, Garda Vetting, Safeguarding, on going support and training, and last but not least supported by the executive committee of the club. Our managers/coaches and volunteers are not expected to deal with any issues alone, they have the support of their peers, the director of football, and the committee.

We thank each and every one of them for their dedication and loyalty to the club.
