Why we collect Location from our drivers?

We at DriverKing collect the information and track the driver's location just to understand and get estimates about our driver's location. We collect driver locations to know where the driver is, which helps us to tell our customers about them to get assigned by them about the booking on our app. Also, let our customers know and give the direction on their goings.

Tracking the driver's location gives and ensures that to provide the safest platform to our customers and make them acknowledge the driver's location s which enables us to be assured of our best and most comforting way of traveling. We have a huge team of drivers at DriverKing and understanding their location to give the best platform gives the best way to resolve the hurdle related to anything.

The following is acknowledged by the Parties:

1. Customers are informed on the app or through email when they will be invoiced for the driver's services at the conclusion of their commute. Customers can pay for the services in cash or online using the app's accessible payment options.
2. DriverKing merely serves as a go-between between the driver and the client. Therefore, the agreement made between them must be followed legally when the driver provides services to the consumer. Under no circumstances may DriverKing be a party to such arrangement.
3. If a client uses the apps online payment options to pay for the service fees, DriverKing will submit the money to the appropriate drivers after deducting TDS in accordance with Section 194C of the Income Tax Act of 1961.
4. Driver shall deliver an accurate copy of my most recent driver's licence. Driver certifies that all other details I gave to DriverKing are accurate and true.
5. Drivers of DriverKing undertake to adhere to the policies and standards established by the company as well as any other rules that may sometimes be made for my position as a driver, including the "Do's and Don'ts" agreement that I have signed with DriverKing.
6. Fraudulent Acts: DriverKing may terminate the agreement and recover from the driver the amount of any loss suffered as a result of termination, including the cost reasonably incurred by DriverKing of making alternative arrangements for the supply of the Services and any additional expenditure incurred by DriverKing. If the Driver engages in conduct prohibited by clause No. 6, commits fraud in relation to the agreement or any other contract with DriverKing.
7. Driver shall operate the vehicle owned by a DriverKing client with appropriate care and caution, and will fully abide by all traffic laws, including any stated speed limits, directional signs, and parking restrictions. If I have an accident while operating the car or obtain a subsequent ticket, I will contact DriverKing right away. I will never drive a car while under the influence of drugs or alcohol, or if my physical or mental health may be in any way compromised.
8. Driver will use due care and caution in the operation of DriverKing customer's vehicle and will strictly comply with all safe driving rules of the road, including all speed limits, posted directional signs and parking regulations. I will immediately notify DriverKing if I am involved

in any accident or receive any subsequent citation during the course of my driving the vehicle.

9. Under no circumstances will driver operate the vehicle while under the influence of drugs or alcohol or when my physical or mental condition may be otherwise impaired.
10. On boarding Cost: The Driver shall bear the cost of on boarding which includes the costs of Uniform, Background verification etc. DriverKing shall under no circumstances refund the costs of on boarding to the driver.
11. Penalty: In order to give the client the best experience possible, driver must as an independent service provider comply to all driving, conduct, and other rules, regulations, and procedures established by DriverKing. If the regulations are broken, the driver is responsible for paying the fines imposed by DriverKing, including those for missing or cancelling the reservation, reckless driving that results in an accident, rude client conduct, delays, etc.
12. Driver Liability: Any accident causing damage to DriverKing customer's car or another car, then the Driver is liable to compensate for the damage up to ₹5,000. If there is a repeat accident within a period of 12 months, then DriverKing will ban the Driver effective immediately.
13. Service Termination and Full & Final Process: Drivers who choose to cancel their agreement with DriverKing must notify management of their decision. Within seven working days of the service cancellation request, the Driver will receive any outstanding payments.
14. Failure to pay any amount when due may result in a default by the driver, and their account may be suspended. As a result, Driver won't be able to use the DriverKing dashboard, manage current resources, or purchase any new resources.
15. Suspension or termination may follow any breach of this Agreement or of any applicable standards, processes, or guidelines for the employment of Driver. DriverKing's Drive services must be delivered with the highest safety and care, and this is something that the driver specifically acknowledges.
