

Juan Morel Campos Secondary School

215 Heyward Street, Brooklyn, NY 11206 T: (718) 302-7900 F: (718)-302-7979

Nichole Cicileo, Principal

Camille Rhoden-Stephens, Assistant Principal

Jason Rosenbaum, Assistant Principal

Quennina Wright, Community School Director

What is NHS?

- National Honors Society is a school-based service organization that recognizes exceptional students in high school students who meet the following criteria:
 - **Scholarship:** Must maintain an 85+ average (High School)
 - **Service:** Participate actively in school and community, providing a variety of service throughout the year
 - **Leadership:** Are positive role models in the classroom, at work, and in other school/community activities
 - **Character:** Consistently demonstrate qualities which society aspires to achieve and finds admirable

Things to consider...

- You must **apply** to be considered for membership.
- Membership in NHS is an **honor**, not a right!
- Membership = responsibility
 - Grade average must be maintained
 - Community service is a requirement
 - Behavior/character is important
- Must be willing to commit time and energy
- Selection process:
 - You are not competing with anyone except yourself
 - Faculty committee:
 - Can select every student who meets all four standards
 - We are here to help you and support you!
