Band Director's Report:

Grantasia: rehearsal went well, ticket sales continue to be an issue as some people who wanted tickets did not get them, live streaming will be available

-Concessions- shorter intermission this year, set up planned for upstairs commons because entryway gets too backed up, questions about where to set up coffee and beverage making supplies, plan for 2-3 cash boxes, more volunteers needed for concessions sales

-There have been plenty of food donations for students during rehearsal

-Donation opportunity during performance, discussed possibility of putting up QR code that would link to the PayPal account which could be split between performing arts,

would need to change wording on donation page from “Grant Instrumental Music Program” to “Grant Performing Arts.”

Action Items: Brian will check with custodian about best coffee making set up options for concessions, Brian will set up the QR code, Kelly will change wording on PayPal donation page for Grantasia nights.

Communications: No updates

-Mattress Sale: Don’t know numbers yet, there was less attendance, noticed less upfront advertising (signage, paper mailing, etc)

-Coffee: Hoping to begin in January
