

Artist Statement

AP Art & Design Fall 2020

Purpose/Objective: To clearly articulate who you are as an artist, including what motivates and inspires you.

Written Statement

All artists write an artist's statement that explains who they are as artists and/or what inspires them to create art.

Using a google doc, write your artist statement. Consider the questions below.

Who are you as an artist?

- *What inspired you to begin to create works of art?*
- *What are your specific interests with regards to visual art?*
- *What motivates or inspires you to make art?*
- *How do you see art playing a role in your future?*

Your statement should be between (2-3 well-developed paragraphs)

Delete directions when done....submit just your statement and the assessment rubric with your notes on it.

Place on your home page of your site.

Look at former AP student Home pages if you need examples. But please be original!
