What are the differences between dismissal transportation types?

Car Riders are students whose ride will go through the drive-through line to pick up their student. Front walkers are students who walk out the front door either meeting their parents at the front of the building or they walk home.

You can call the front office to submit a change or complete the [online transportation form](#) found under the resource tab of our website.

Please submit changes by 2:00 PM.

What is a car rider sign?

Car rider signs help facilitate our dismissal process so we can be as efficient as possible. Multiple students can be listed on one tag. Please use the tag that is appropriate for all students you are picking up. If you need a copy, please stop by the front office or make your own sign.

Car Riders: place your tag on the passenger side of the vehicle. IF you are ONLY picking up Pre-K or Kinder students you may enter the line first since those students dismiss first.

Front Walkers: Pre-K/Kinder (yellow tag) and 1st grade (green tag) students ONLY: use the dismissal tag when you meet your students out front.
