

Logan Park General Meeting

Wednesday March 16, 2022 7pm

Minutes:

- Introductions
 - Alex Stalman - Board member
 - Ben Durrant - Board member
 - Jacquelyn Kramer - Board member
 - Alicia Jackson - Board member
 - Mike Ferrin - project manager
 - Albert Nolan - Northside
 - Amy Barnstorff - Mpls Public Works
 - Chris - Mpls Public Works
 - Pat Vogel - Board member
 - James Riley - Board member
- City of Mpls Transportation - Monroe Street Updates
 - Presenter - Amy Barnstorff
 - Improvements for Monroe - Zero Division Program
 - Review of program and purpose
 - Website links referenced to see more specifics
 - Timeline for completion - weather permitting. Most likely April early May for the start of the project.
 - Bikeway is scheduled to be installed. Waiting on Federal approval of funds to start the project.
 - Bike lanes - **chance of extending to Monroe? At this time, the project manager is still working on trying to get the bike lane extended.**
 - Different types of improvement concerns:
 - Not on the radar to put up additional signs for crosswalk etc.
 - Items being implemented will be "quick fixes" to see if permanent ones are possible.
 - Asked if there can be a light of some kind, flashing stop sign or reflectives at 13th and Monroe. Amy will follow up and see what the requirements would be to get it implemented.
- LPNA Committee Updates
 - **Alicia Jackson-Thole - Equity Engagement**
 - Survey and Poster are complete.
 - Will be posted at the following locations:

- Food Shelter - Christ Family
 - Compassionate Zen
 - Anticoh COMMunity (Waterbury Bldg)
 - Timber & Tle, Holland Highrise, Jackson Flats
- Once the temperature is warmer, posters will be put up around the neighborhood.
- **Albert Nolan - announced working with the city to implement a summer program for youth. Mr. Nolan wants to know about the needs of the community and ways to collaborate.**
 - Will be sending info to LP email with details on the program.
- **Mike Ferrin - Solar Project.**
 - Met with Mpls Public Action a few weeks ago.
 - 15 year program where you sell the energy to Xcel.
 - It will be guaranteed funding coming in for the next 15 years.
 - 5-7% return over the next 15 years.
 - \$500,000 investment in order to do the community garden
 - Idea to partner with other neighborhood organizations to find funding to do this community garden.
 - Could also use funds from the Partnership Fund.
 - Deadline for funding is March 21st. Meeting tomorrow morning to see if it is even possible. A lot of parameters that need to be considered.
 - Residents of the neighborhood could receive rebates?
 - Ideas:
 - Location of panels - for electric vehicle purposes?
 - Apt buildings could be a good location?
 - **Northeast, LP, Beltrami and Saint Anthony - Shared collaboration fund**
 - Should have a response to the application early next week!
- Announcements
 - No Announcements.
- [Approve February General Meeting Minutes](#)
 - Minutes - Ben motioned, Alicia second.
 - Minutes passed unanimously.
- Next LPNA Meeting - Wednesday April 20, 2022 7pm
