

Principles of Arts and AVT & C

Fall SEMESTER 2023

INSTRUCTOR: Kristy Marshall
kristy.marshall@risd.org

Tutoring: Thursdays 4:00-5:00 PM or by appointment.

Our Classroom Values

We value creativity, collaboration, participation and dependability in our classroom. We are working on becoming great communicators both in person and digitally.

This class is designed to give students a preliminary understanding of AV with Camera work, Editing, Audio, Text Graphics, Content Creation and Collaboration on major projects in preparation for more extensive study at the high school level.

- You will be using school equipment in this class.
 - Please use it safely and according to the assignment.
 - Please return equipment to its proper location.
 - Any deviation from safe use will result in loss of equipment privileges.

Grading Policy

- This class is for high school credit and completes one year of the CTE requirements to meet CCMR for graduation.
 - Major Grades - 60%
 - Minor Grades - 40%
 - **Late Work:** In an effort to foster personal responsibility with students they must take the initiative to contact me via email when they turn in late assignments. If an assignment is missing when I grade assignments I will put a zero in the gradebook. This zero can be changed to a late grade by doing the following:
 - Turn in your assignment
-

-
- Send me a polite and professional email using correct capitalization and grammar requesting that I grade your late assignment.
 - The email must be specific about which assignment it is and where you turned it in so I am able to find it.
 - ***Please Note: No late work will be accepted in the last week of the 9 weeks.***
 - I send progress reports to students 2 days before I send it out to parents. Students you will have a heads up warning to turn things in before I send progress reports to parents. Please use this wisely and make sure you are communicating any late work with me in a timely and specific manner.
 - *Example: Greeting Mrs. Marshall, I hope you are doing well today. I have completed missing assignment #47 on aperture. I have turned it into Schoology in assignment #47. Please grade this at your earliest convenience.*
