

Randolph World Ministries

Description: Randolph World Ministries, Inc. a small, non-profit 501(c)(3), Christian organization that seeks to primarily provide sustainable medical services, economic development, spiritual support and other faith-based services to the country of Haiti. We now offer a full-range of medical support to our clinic clients and provide economic development programs. Randolph World Ministries, Inc. is supported by both medical and non-medical individuals who share the vision of improving medical services and growing the local economy through a small Christian organization that operates with almost no overhead costs.

Mission Statement: Randolph World Ministries, Inc. seeks to demonstrate the love of God through service to His most marginalized children. We seek to grow the kingdom of God by healing their bodies through improved medical interventions and reducing poverty through economic development whereby establishing relationships that foster the sharing of the Gospel.

Service Opportunities: There are many opportunities. They include: becoming a director of an arm of Randolph World Ministries, Inc, coordinating at least one fundraiser of your choice per year, becoming a “Baby Shop” coordinator, serving on a mission trip, and helping pack and ship materials if you live in the St, Louis area.

Days/Times: Email for more information.

Volunteer Pre-Requisites: Email for more information.
