- When was he/she born?
- Where was he/she born?
- What did he/she do?
- Why was he/she important in History?
- What were the important events in his/her life?
- Why did you choose this person?
- Do you like him/her? Why?

WRITE - Write a first draft by using your notes above. Check:

- Spelling and punctuation.
- Tenses and expressions of time, making sure you have used prepositions *in*, *on* and *at* correctly.
- Grammar in general.
