

## What is it like to be a Twin? (#22)

Watch the following documentary on youtube “In the Womb: Identical Twins”

<https://www.youtube.com/watch?v=7-dVvo7zbAU&t=396s>

**Then complete the following reflection questions:**

- 1. What happens after fertilization?**
- 2. In what ways are identical twins different?**
- 3. What happened in 2007 that was witnessed for the first time?**
- 4. What is a parasitic twin?**
- 5. What happens at 15 weeks in the pregnancy?**
- 6. What is one big take-away from the film?**

Part II: Watch Abigail & Brittany Hensel

<https://www.youtube.com/watch?v=K57IcN9DWXo&t=581s>

**Write a one page summary of their experiences, noting their challenges and strengths.**
