

CALL FOR STUDENT MOBILITY TO THE UNIVERSITY OF KALISZ, POLAND

We take a practical approach to our mission and our students approach a practical approach to their future. And with great effect. Knowledge combined with experience - this is what we focus on, because how else can you find out if this is the profession for you? Laboratory base of the Kalisz University President Stanisław Wojciechowski offers students the opportunity to gain practical skills and develops students' scientific interests. Together with us you will experience real learning, you will be able to show your creativity and improve your teamwork skills. We put at your disposal nearly a hundred specialized equipment, teaching aids, laboratories and specialist stands.
