Memo from the principal

That storm was a thumper! And we were having such a wonderful spring. I hope you all fared well enough. Thank you all for attending Tricky Tray last weekend. Over 200 items and services were raffled off. We are fortunate to have such a supportive and active Booster Club. Next week we will find our 8th graders enjoying some beautiful sights and weather in DC. We wish them a wonderful trip! The solar eclipse is happening on Monday, the 8th, beginning around 2:30. In response to concerns, SBS will be dismissing students at 1:30. Students will be given their own pair of viewing glasses that will protect their eyes during this unusual event. Maine DOE links to viewing the solar eclipse can be found [HERE](#). SBS is seeking testimonials for our website and social media accounts. Please share a line or two with me if you are so inclined. As a reminder, the morning drop off begins at 7:45. Early arrivals will be asked to wait in the Learning Center until classrooms are opened. Stay safe this weekend

Dear 7th Grade Families,

I am excited to announce that our class will be going to Kieve for the 7th Grade Experience on May 7-10. This is an overnight trip, starting at the beginning of school on Tuesday and ending at noon on Friday. Families are expected to pick up their children at noon or arrange carpooling.

Attached is the school permission form as well as the form for Kieve to sign. A packing list is enclosed. If night time medications are required, please let Nurse Crystal know asap so she can make arrangements for administration.

There is a student medical form that needs to be filled out online. Please do this in addition to signing the enclosed forms:

<https://docs.google.com/forms/d/e/1FAIpQLSfPu4ediobaRkgwkHtgplFHaxrsFql8bNUKg4RannoF16ngpA/viewform>

Students are expected to participate and take advantage of this opportunity. If you have any questions or concerns, please feel free to let me know asap.

Sincerely,

Deb Thibodeau
School Counselor

Boys To Men

Boys to Men in Maine (not to be confused with the singing group) <https://boystomen.org/> will be offering a workshop for Gr 4-8 Boys on April 25th. They will depart on the bus with Mr. Shane and Mr. Bigonia and return to school at 1:30. SBS has games that day, but they will be back in plenty of time to depart for Bristol. If you have any questions, please let Mrs. Thibodeau know at dthibodeau@aos93.org.

Circus Marinus will be performing on Thursday April 11th at 6:00PM in the SBS gym.

The students have learned so many new skills and pushed themselves to improve each week. They have devised routines never performed by previous SBS circus arts groups. The shows will be a fun demonstration of what they've learned. Please come cheer them on!

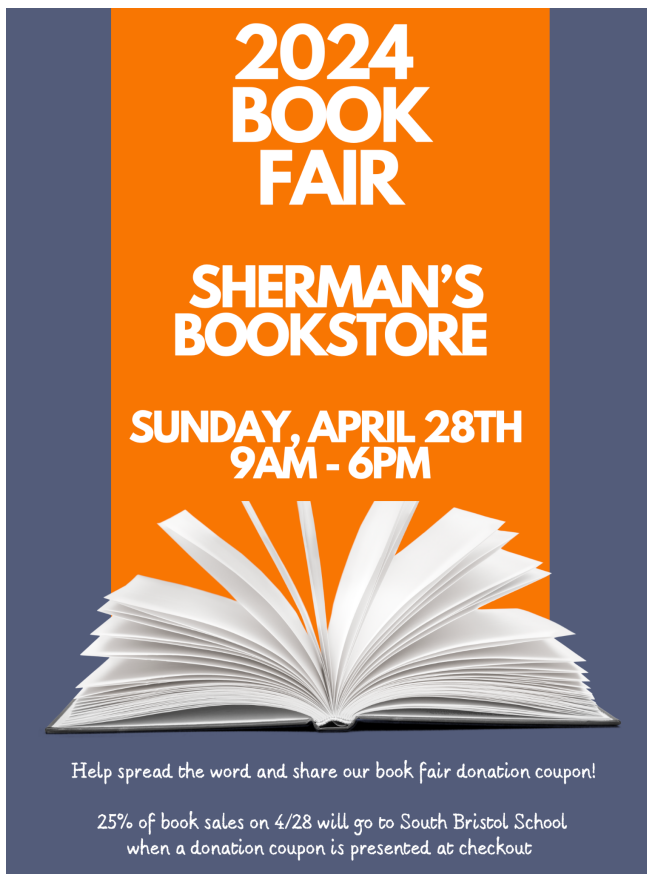

SBS Spindrifters Jump Rope Community show will be on Monday April 22nd at 6:00 PM in the gym. This show is both the club team and demonstration teams chance to show off all their hard work this season. Spread the word and please come cheer them on!

If your student chose to raise money for the American Heart Association those packets will be due by Wednesday April 10th. Thank you!
