

Учебный сетевой проект “Mass Media в XXI веке”

Таблица ЗИУК (знаю- интересуюсь- узнал- как узнал)

Название команды: MegaMind

Имя участника: Anya Sivkova

	What do I know ? знаю	What am I interested in? интересуюсь	What have I learned? узнал(а)	How have I learned? как узнал (а)
1. What modern media can you name? (Какие современные медиа вы можете назвать?)	Internet Books TV	New opportunities of the Internet	Blogs, video hosting, online communities , virtual Internet forums, social networks In the future the media will be more interactive and convinient	During the discussion of problematic questions
2. How have the information carriers changed since ancient times? Как изменяются носители информации с древних времен?	In ancient times were stones,now paper and flash cards	new information carriers	Information carriers has become smaller in size, but they store more information, they are more convenient	when we created a Time Line and discussed a problem question

			now.	
3. What discoveries have actually provided the platform for the invention of the radio and TV ? (Какие открытия послужили толчком для изобретения радио и телевидения?)	I don't know	I would like to know	great discoveries in physics, mechanics and engineering Discovering of electro-magnetic waves	from the internet, doing project tasks
4. How does the mass media influence our life? (Какое влияние оказывают медиа на нашу жизнь?)	make our life easier	how the media will influence our lives in the future	We need to think critically and do not believe everything	when we analyzed a public poll
5. Why do you need to take a critical look at the information? (Почему нужно относиться к информации критически?)	a lot of false information and fakes	how to check up information and find out if the information is correct	-not all information is correct -to form your own point of view	during the preparation to our social action and our team's discussions
6. What are the ways of checking the accuracy of the information? (Какие существуют способы проверки достоверности информации?)	I don't know	I would like to know	It is necessary to check information in all media	during social action
