

Rickman House

Date: Sunday, April 5 2020

Time: 2:00 pm - 4:00 pm

Location: 345 N Burdick St, Kalamazoo, MI 49007

At this event you will be helping individuals in Kalamazoo who have disabilities and struggle with steady housing. About eighty percent of individuals who live here have about one day or less of food at any given time, so we make sure to provide some type of food every time that we go there. This usually includes cooking a meal and playing board games or card games with the residents.

Important Information from Habitat for Humanity:

- This event is held on Sunday which means that parking at the meters downtown is free.
- Because of personal privacy reason be sure not to take or post photos with the residents for Rickman House. Try to avoid this by taking pictures of Beta members working in the kitchen or take a photo from behind as not to show their face.

Fill out the sign up for this event at: <http://www.bapwmu.com/community-service-events.html>
