

Dear Sophomores and Parents/Guardians,

The 3rd marking period ends on Friday, March 28. If you have questions about your grades or are missing work, now is the time to talk to your teachers.

Attendance

Attendance is an important part of school. Please be aware that 12 unexcused absences in a full-year course and 6 unexcused absences in a half-year course result in loss of credit for the class. Additionally, 3 tardies to class will result in 1 unexcused absence. Losing credit in classes will result in students needing to complete credit restoration. Please review our [attendance policy](#).

Transcripts

If you need a copy of your transcript, you can run a report in ASPEN. Please review your transcript for accuracy at the end of the school year. The directions to do so are [here](#).

Career Fair

North Hunterdon is hosting the annual career fair on April 2. Sophomores will attend the fair during period 4. It will be an invaluable opportunity to educate students about various professions while connecting with the community. More information will be presented during their history classes.

Lafayette College Summer Sustainability Summer Program

[Apply for Lafayette College's Sustainability Leadership Program!](#) This week-long summer program for high school students fosters experiences focused on:

- Innovation for Sustainability
- Food Justice and Regenerative Farm Systems
- Civil Leadership
- College Life

Using a design thinking mindset and the United Nations Sustainable Development Goals framework, students will explore climate change and broader sustainability challenges. Students will gain valuable academic and leadership skills through off-campus trips, discussions with Lafayette students and professors, working at Lafayette's College farm, and an end-of-week presentation focused on sustainability solutions.

2025 Program Dates: July 20 - 27

Tufts Summit Pre-College Program

The Tufts Summit Program is open to applications from all students who meet the following criteria:

- Students must be rising high school juniors or seniors (having completed a minimum of two years of high school)
- Students must have completed a minimum of two years of formal French instruction

Established in 1993, Tufts Summit is a four-week pre-college summer program designed to offer a select group of rising high school juniors and seniors the opportunity to study abroad and take college-level courses in International Relations and French Language. Nestled on the banks of Lake Annecy and in the foothills of the French Alps, the Tufts European Center in Talloires offers an extraordinary environment for learning and growth.

If you'd like to find out more about this very special program, you can consult the Tufts European Center's website: <https://europeancenter.tufts.edu/tufts-summit-high-school-study-abroad/>

Or if you'd prefer to set up an informational zoom/call, feel free to contact the Tufts European Center staff at: europeancenter@tufts.edu

Tutoring

The North Hunterdon-Voorhees district is once again offering free, 24/7 tutoring services to students. This includes tutoring for [100+ subjects](#), including AP®; a drop-off writing review; practice quizzes for math, science, and ELA; and test prep for the SAT and ACT. Go to tutor.nhvweb.net to access the service.

More information about the service and how to access it is attached below.
