

### **S2023- R3 – Dining Services Flexibility**

**WHEREAS**, many students and faculty buy meal plans in order to ensure that they have food during the school week.

**WHEREAS**, those with meal plans are unable to use them at Discovery Park, forcing students in the College of Engineering, College of Information, and any other students taking classes at Discovery Park to use Flex, cash, or drive back to Main Campus.

**WHEREAS**, some system to exchange meal plan swipes for food at Discovery Park would help students and faculty focus on learning without worrying about where their next meal is coming from.

**LET IT BE RESOLVED THAT**, the Dining Services create a way for students to use their meal plans at Discovery Park.

**LET IT BE FURTHER RESOLVED THAT**, this legislation be sent to the following:

1. Executive Director of UNT Dining Services Peter Balabuch
