

Dear parent/guardians,

Ecolinc's **S.T.E.A.M Ahead** program is part of the Victorian Challenge and Enrichment Series, an initiative of the Department of Education and Training that provides enrichment opportunities to extend high ability students in Victorian government schools so that they are better supported to excel and reach their full potential.

Your son/daughter _____ has been selected to participate in the **S.T.E.A.M Ahead - The Science of Climate Change** program on November 4th 2026 via video conference.

The Science of Climate Change has been designed for Years 5-6 high ability students. We begin with a presentation from Liberty Science Centre, in New York, where students will learn about the climate crisis. This is followed by a hands-on workshop that will allow students to analyse an ice core to better understand changes in our climate over time.

This program is fully subsidised and therefore there is no cost to participate. The program will be delivered virtually via video conference.

Victorian Challenge and Enrichment Series

S.T.E.A.M Ahead – The Science of Climate Change

I give permission for my child _____ to participate in the **VCES S.T.E.A.M Ahead – The Science of Climate Change** program on November 4th 2026.

I understand that this program will be delivered virtually by **Ecolinc Science & Technology Innovation Centre** (Department of Education & Training).
