

Monomoy Middle School Spring Clubs Choices

Welcome to Spring 2024 Clubs!

Who?

Participation in clubs is offered to all students in grades 5-7 unless specifically stated otherwise. Clubs meet one time per week, beginning **April 1** and running through Friday, June 14th. Interested students should reply by completing the sign-up link by **April 12, 2024**.

When?

Morning clubs run from 7:35 am to 8:35 am, with parent drop-off at the main entrance. Afternoon clubs run from 3:20-4:20 pm, with parent pick-up or late bus departure at 4:20 pm.

Why?

Middle School is all about exploration, and trying new things. You don't have to be an expert, you just need to be willing to try. Clubs are also a great way to meet students that share similar interests.

What?

Use the description below to determine which club interests your child. Make sure that you pay close attention to the time and dates of the meetings. A late bus will be available with limited neighborhood stops for those that identify the need for it on this form.

Keep in mind..

The Annie Jr. musical will be practicing Tuesdays, Wednesdays, and Thursdays most weeks throughout this club season. Also, the stage crew will be asked to contribute throughout March. Keep this in mind as you make your club selections.
