- **2-hour private pool party**
- **You choose the time of day** based on availability

Dates and rentals are subject to lifeguard availability and SHRC approval.

Rentals open to SHRC members only

Weather & Cancellation Policy

Scottish Hills Recreation Club's pool is outdoors and heated, so rentals will generally continue as scheduled in light rain or cooler temperatures. However, the safety of our members and guests comes first.

- **Cancellations made by the renter more than 7 days before the rental:** Full refund.
- **Cancellations made 3–7 days before the rental:** 50% refund or the option to reschedule, subject to availability.
- **Cancellations within 72 hours:** No refund, unless the rental is cancelled due to unsafe weather conditions or by SHRC.
- **Weather Rescheduling:** If the forecast calls for significant rain or severe weather, renters may request to reschedule their rental up to 24 hours before the scheduled start time. Rescheduling is subject to availability. If SHRC determines that weather conditions are unsafe, the rental will be cancelled and the renter may choose a full refund or reschedule.
- **Rain alone is not grounds for a weather cancellation.** Because the pool is heated, rentals may proceed during ordinary rain unless SHRC determines conditions are unsafe.

Off-Season Pool Party Safety Reminders

Follow the Lifeguards

Please listen to and follow all lifeguard instructions. They are there to help keep your guests safe and ensure everyone has an enjoyable time.
