

Counterargument Outline

Transitions: Use the transitions that go with a counterargument!

Turn Against (Evidence Sentence): An argument against your position-doesn't include specific proof.)

Turn Back (Evidence Sentence): Explains that the argument against is false or acknowledges that the argument against is true but explains why it is less important than your thesis-doesn't include specific proof.)

Link 1--Specific evidence, examples, anecdotes, statistics, quotes.

Link 2--Why your specific evidence is proof for your turn against or turn back

Elaboration: Thoughts on alternative solutions
