WE'RE LIKE CRAYONS MELTING IN THE SUNSHINE
TAKE A BIG ERASER AND WIPE OUT THE LINE
E

F#
SAY YOU WANT LOVE BUT WHY AIN'T YOU SACRIFICING?

WE'RE LIKE CRAYONS MELTING IN THE SUNSHINE
I'LL COLOR YOUR WORLD IF YOU COLOR MINE
E
OH ,OH - WHAT'S UP TELL ME WHAT'S A-HAPPENING
F#
SAY YOU WANT LOVE BUT WHY AIN'T YOU SACRIFICING?

Gbm
Come on over you sleepy head
it's time to color my dress in red.
E
It don't matter if it's day or night-
F#
we play in color not in black in white
Gbm
Come on let's color the world in green.
Let's make a difference in the way we dream.
E
We're going to color a smiling face
F#
on the people of the human race - One, two, three, hey!

[PRE-CHORUS] x2

Gbm
I'll take a walk on the wild side
Don't be afraid you can be mine
E
In and out, in and out,
F#
in and out of the lines (in and out of the lines)

[CHORUS]

If we mix up some pink and blue
We get a beating at a purple hue
Mellow yellow when the day is done
Becomes the orange of the setting sun - One, two, three, come on!
