

Privacy Policy

This app is an augmented reality app that requires access to the device's camera. It does not record the information received from your camera.

The application does not contain registration.

The term "personal information " as used herein is defined as any information that identifies or can be used to identify, communicate with, or locate the person to whom such information relates. The personal information we collect will be subject to this privacy policy, as amended from time to time.

We do not ask for your email address, phone number, or any information about you.

We don't sell content.

We do not require registration.

The security of your personal information will not be compromised.

We do not ask for location information through our mobile app.

We do not send email newsletters.

Required permissions:

Access to the camera - used to view augmented reality pictures.

The app does not have its own server and cannot save your data or images from your camera.
