Dear MHS Community,

This morning, Thursday, June 5 we experienced a Hold in Place on the Massabesic High School campus. at approximately 7:55 am. This Hold in Place was utilized to address a student matter that required privacy and sensitivity for those involved. The Hold in Place was lifted at 8:10 am and the day continued as regularly scheduled. We value the care and concern demonstrated by our school community, and also the respect and reverence demonstrated by our students and staff.

Regards,

Ty Thurlow
