Parents should select "**Golf**" in their FinalForms account for the school year 2025-2026.

NOTE: Selecting "**Golf**" in FinalForms simply indicates that your daughter is interested in receiving information and attending summer sessions. It does not obligate her to try-out for the team and does not guarantee a roster spot at the end of the try-out period.

SUMMER PRACTICE EXPECTATIONS: Students interested in participating in the SUA Golf program should be committed to practicing on their own on a regular basis as well as playing in local or regional competitions. Also, working regularly with a qualified PGA professional is strongly encouraged.
