BIOGRAPHY

Jenna Sharpe was born into a family of wrestlers. Her grandfather, Edmonton Sharpe, and his wife had several children who pursued the business as they grew up, including her mother Abigail and her uncles Michael and Ray. Another sister didn't enter the wrestling business, but she did have an affair with a wrestler. At first, everything looked like it was going great for the second generation of Sharpes. But then Abby became pregnant, Ray and Jenna's father Anton (who used the name Sharpe professionally) got involved with dealing drugs, and Michael suffered a cardiac arrest mid-match and died in the ring. The prestige of the Sharpe family name was tarnished, and so Edmonton focused his attention on his grandchildren.

Jenna started training in high school and it took her a fair amount of time to catch on, but through hard work and diligence, she was able to make her debut in 2020. Her cousins Mikey and Seb (better known as Switchblade) entered the business around the same time, but she is the only one still carrying the family name. After finding out his father's identity, Switchblade rejected the Sharpe last name and all the baggage that came with it, and Mikey ended up back in rehab. So now it's up to Jenna to bring some glory and pride back to the Sharpe family, and she's determined to do it or die trying.

RELATIONSHIPS

Kasey Kash: Jenna and Kasey initially met in 2020, when both worked for OATH Pro Wrestling. Kasey formed The Murk Squad alongside Jenna's cousins Mikey and Switchblade, and the trio later included their former manager, Bert Cocaine. The two lost touch following the dissolution of the company and reconnected in December 2023, just before Kasey transformed into the demon AZAZEL. Their relationship status is a bit up in the air at the moment, but Jenna remains hopeful that her Kasey will come back to her.

Brielle Gregory: Bri and Jenna met during their time in CGW. The two formed a tag team called the Canadian Gems and they became as close as sisters outside of the ring. Bri is currently on hiatus from wrestling due to the recent arrival of her daughter Torrance Jenna Gregory, but one day the Gems will make their return to the ring.
