

**Theme Reporter: Your Name**\_\_\_\_\_

You are a reporter trying to investigate other people about their Theme Project. Using the questions below, interview 5 other people about their assignment. You must ask them each question and listen carefully to take notes on their response.

Name and country of person interviewed	What is your country's main religion and language?	What is education like in your country?	What do they do for recreation in your country?	What did you find most interesting about your country's culture?	Would you want to live in your country? Why or why not?
