Greenhouse Montessori School

Greenhouse Montessori School was established in March 1982 by Anne Hoffman and Nina Clancy. Nina and Anne believe that the Montessori method of education provides the most effective and fulfilling way to guide a child through his early school years, a critical period for learning and setting patterns which last a lifetime. Our goals are two-fold: 1) to provide a Montessori enrichment program and 2) to provide a "non- institutional" environment for children requiring full or part-time day care. Each class of twenty four children is taught by a certified Montessori teacher and an assistant teacher.

Women Infants and Children (WIC)

If you are pregnant, have just had a baby, are breastfeeding, or have a child under the age of five, and you meet the income guidelines, you might be eligible for the Women, Infants, and Children program (commonly referred to as WIC). Families with children under five who were previously on Healthy Families and now have Medi-Cal may be eligible for WIC. WIC is designed to help pregnant women, new mothers, and young children eat well and stay healthy. WIC provides nutrition education, breastfeeding support, and referrals to health care and social services. WIC also provides special checks that can be used to buy nutritious foods at many local stores. Online nutrition education is also available.
