

## **Classic Sports Cars Divisions 2**

I like these classes the way they are – Al C.

- Classic Sports Car Division II left as is. – Bill

Proposal Division II - sports cars manufactured from 1964 through 1975 with a motor limit of 18k. All other rules pertaining to class would remain the same. – Bill

Classic Sports Car Class Div.II

For the record, I like this class as it is, 18k motor with 8mm tires and podded chassis, mix and match any years up through 1969(?). Run Div.I & II separately if we have enough entries to do so. - Kouba
