

all the missions of bootcamp level 3 stress pills

What kind of people are we talking to?

i am talking to men around 30-33 years old and i his job is Retail Salespersons and his income is \$91,137 per year in USA

Painful Current State

- What are they afraid of?
- What are they angry about? Who are they angry at?
- What are their top daily frustrations?
- What are they embarrassed about?
- How does dealing with their problems make them feel about themselves? - What do other people in their world think about them as a result of these problems?
- If they were to describe their problems and frustrations to a friend over dinner, what would they say?

- they are afraid of taking it and doesn't work for them and risk it and be in worse possession, to take it before they go to sleep and doesn't relax them enough/not enough sleep
- some people are angry to the company that does not return their money, that it doesn't work for them and they are in worse possession that before
- i don't know
- they are embarrassed about taking it and doesn't work for them and even have physical pain
- Some people feel disappointed to theirselves bcs it does work for them and even make them in worse position, i don't know
- i don't know

Desirable Dream State

- If they could wave a magic wand at their life and change it immediately into whatever they want, what would it look like and feel like?
- Who do they want to impress?
- How would they feel about themselves if they were living in their dream state? - What do they secretly desire most?
- If they were to describe their dreams and desires to a friend over dinner, what would they say?

- they would feel stress free without any thought that "isn't gonna work from me", and they will feel that this product is for them and they don't have any physical pain/mental pain.they will

change their life to not have stress, to sleep very well without waking up per hour, to not have any physical/mental pain(physical:migraine,diarrhea,tachycardia
mental:stress,anxious)

-Nobody, only themselves

- they will feel amazing bcs they don't have any mental pain/problem, they will feel Comfortable, they will feel a "reset" of their body. the thing that secretly desire most is to "reset their brain and body"

-i don't know

Values and Beliefs

- What do they currently believe is true about themselves and the problems they face?
- Who do they blame for their current problems and frustrations?
- Have they tried to solve the problem before and failed? Why do they think they failed in the past?
- How do they evaluate and decide if a solution is going to work or not?
- What figures or brands in the space do they respect and why?
- What character traits do they value in themselves and others?
- What character traits do they despise in themselves and others?
- What trends in the market are they aware of? What do they think about these trends?

-i don't know

-they blame their job for their problem, or when they have hard times(not enough money, when they lost loved one, when they have some time manage problems and when they don't have some free time)

-Yea they have tried to solve it in the past by using other products and other natural ways and the reason why they failed before is : the pills don't have any effect on their body, the pills cause some physical pain, or even the pills stop having any effect on their body. And for the natural way it isn't the same powerful as the pills

-the evaluation criteria are some reviews, The name of the company,

-i don't know

-i don't know

PAS mission stress pill

Subject line: One step closer to your goal

(Name)

Can you imagine how much better it would be if you could just reduce stress?

Imagining staying more focused, enjoying sleep or naps and not in any

physical pain.

You can easily do this to your universe.

And no it's not:

Walking in nature,

Play with your pets,

listening to your favourite music.

It is something far more powerful than you think.

Are you serious enough to find out what it is?

DIC mission stress pill

Subject line: Never be stressed again.

(Name)

Close your eyes. Can you feel relaxed for only 5 seconds?

Exactly. So much stress.

That's why most people can't relax.

You are probably doing something natural to kill your stress.

But there is no positive effect.

Don't worry.

Let me tell you some things you need to have so you can feel relaxed again, like once you were a kid.

Things you need to have so you can feel relaxed once again.

- ☐ To have 10 minutes
- ☐ To have some money
- ☐ To order up
- ☐ To wait until you get your product

That's it. Those are the only things you need to have.

And let me help you and save some minutes.

[Whatever makes you feel ready to start feeling like a kid again, feel free to check it out,](#)

(I ask the chatGTP to improve my copy, that it is. What do you say?
Should i go with mine or not)

Subject line: Discover a Stress-Free Zone

Hey [Name],

Feeling overwhelmed lately? I get it. Life can be a whirlwind.

But what if I told you there's a way to ease that burden, even if just for a moment?

Think back to simpler times, when stress was a foreign concept. We all crave that feeling again, don't we?

Here's the thing: you've probably tried all sorts of remedies, but nothing quite hits the spot.

Well, I'm here to offer a gentle nudge in the right direction.

All it takes is:

A Measly 10 Minutes: Yup, that's less time than it takes to brew a cup of coffee.

A Small Investment: Because investing in yourself is the best kind of investment.

One Quick Click: No waiting in line or jumping through hoops—just a simple click away from your stress-free haven.

Sounds pretty doable, right?

Let's take a step towards reclaiming that sense of ease.

HSO mission stress pill

Subject line: How this product makes me feel relaxed

(Name)

In just less than a week, I felt relaxed once again.

I turned my life from being a stressed person to feeling relaxed once again.

And recently, I became the worker of the month because of two things.

1. I was able to relax more than others.
2. I was able to be more focused than others.

As a result, I got an upgrade, I got more money, I helped the business more and I have made it profitable.

And I will make sure that happens to you as well.

I will even make sure to be better than me.

(i did the same with HSO mission. I ask the ChatGTP to improve it and this is. What to you think is better?)

Subject line: Rediscovering Peace: My Journey to Relaxation

Hey [Name],

I wanted to share something with you that's made a profound difference

in my life recently.

In just under a week, I found myself feeling relaxed again—like a weight had been lifted off my shoulders.

It's funny how that change rippled into my work life.

Suddenly, I was more present, more focused.

And guess what? It didn't go unnoticed.

I was even named "Worker of the Month," all thanks to a newfound sense of calm and clarity.

But here's the thing: I'm not about to keep this discovery to myself.

I want you to experience it too.

So, I'm here to offer my support and guidance every step of the way.

Because seeing you thrive would bring me even more joy than my own success.

Let's take this journey together, shall we?

Subject line: One step closer to your goal

(Name)

Can you imagine yourself in another world, another universe?

How much better will you be if you solve the problem of stress?

Imagine what benefits you will have (stay more focused ,enjoying sleeps or naps, not any physical pain).

Let me tell you that.

You can easily do this to your universe.

But you don't know the best ways to accomplish your goal.

Tip:

Isn't the way of walking to nature

Isn't this the way to play with your pets

Isn't listening to favourite music player

But it is something far more powerful than you think.

Are you serious enough to find out what it is?

Long form copy mission:

Subject line: How can your competitor be more stress-free than you?

(Lead)

How can you allow yourself to lose someone/ something and the reason is stress?

How can you stand to lose?

How?

How aren't you furious?

So

Let me tell you something.

After 7 days, you will be a completely different person.

But I sure that you have tried in the past but failed

And the reason is obviously

You made the wrong decision

You probably tried this:

To walk on the beach, mountain, or any of that

To listen to the music

To talk to a friend

Or even

Doing yoga

This is not as effective as you think

That's why you are still stuck with your problem.

That's why you don't have the life you wish for.

Let me tell you something forget all these methods that you have used

And move one step forward to your dream state.

But remember

There are 3 ways to shape your future

1: to don't buy our product and stay miserable and unhappy

2: to try and figure ways that you think that it is effective

3: to take our product and come to a dream state
